The Best Man I Can Be:

The Best Man I Can Be Leonard Dungey, 2014-11-05 The Best Man I Can Be is the result of Leonard Dungey's 94 years of experiences. It has been written at the urging of family and friends and a gut instinct on the part of the author to catalogue his experiences in the military as an African American and as the best man he can be. How does one become the best man he can be? Leonard Dungey strives to illustrate this through his own experiences, good and bad, local and abroad. His is a story to be remembered. [Be a Better Dad Today!](#) Gregory W. Slayton, 2012-05-07 Be a Better Dad Today is a global bestseller for a reason: it's one of the best books on fatherhood you will ever read. Warmly endorsed by dozens of America's best known and most respected fathers, the book lays out the Ten Tools of Fatherhood that will help every dad who uses them. The book is the product of Slayton's thirty-year study of fatherhood on five different continents, his research, and his own experience raising four children with his wife of twenty-six years. Slayton's easy-to-read, friendly style makes it a fun read, and the many great real-life stories bring it to life. Be a Better Dad Today is an inspirational, encouraging, and down-to-earth guidebook for every father who wants to be a better dad for his family's sake and his own. With humor, empathy, common sense, and engaging stories, Slayton reveals proven and powerful tools and techniques that will help every dad fulfill his God-given responsibilities. Whether parenting younger or older kids, boys or girls, blended families, or as a single dad or even as a father to be, readers will find wise insights and practical, doable action steps for becoming the best dad they can be. The book makes a great gift for Father's Day, Christmas, birthdays, or any day. And since the Slaytons are dedicating 100 percent of all royalties from the book to fatherhood and family charities serving the US Military and at-risk families, your purchase will be a blessing to the fathers and families who serve our nation every day. [A Fortunes of Texas Christmas](#) Helen Lacey, 2017-12-01 The Fortune clan welcomes a French relative for the holidays, and one woman wants to lure him to the Lone Star State for good. The Yuletide season brings something truly magnifique to Austin, Texas, in the form of French entrepreneur Amersén Beaudin. The sexy but standoffish playboy has zero interest in meeting his newly discovered Fortune relatives, least of all the man who is his biological father. But when matriarch Kate Fortune dangles an all-too-attractive business proposition, he is intrigued enough to take some time off from his winery and nightclub. And once he meets Kate's beautiful gardener, Robin Harbin, he starts to rethink his holiday plans. A spicy affair with the blonde, blue-eyed Texan is now at the top of Amersén's wish list. But all Robin wants for Christmas is the flirty Parisian's heart and soul. Can she convince him that love and family can lead to a joyeux Noël? Rushton, 2020-01-09 Communication has become one of the most puzzling paradoxes of our time. We live in a world that is hyper-connected, more plugged in, tuned in, and turned on than ever before. Yet social science confirms that more and more people feel isolated and disconnected from their communities and families. They feel overworked, underpaid, misunderstood, and alone. This book is a fresh approach to tackle modern communication challenges written for today's time-poor reader, easily consumed in one sitting, one flight, or one night. This book is a holistic approach to professional and personal communication that will be a significant support in the boardroom, the living room, and also the classroom. Despite the capability to be in touch 24/7, many people are disengaged and disillusioned. Business leaders know the struggle to engage and empower a workforce that clocks in then checks out. Parents know the challenges to connect with teenagers who text better than they talk. And how do you answer the most challenging question every partner dreads: "If you loved me, you would know what's wrong." These are all painful experiences that this book delivers proactive solutions to connect and protect these important relationships through better communication. This is vital if you are a business leader, parent, or in a loving relationship. This book is a map for leaders who want to harness the power of communication to influence their projects, their ideas, their teams, and clients; for parents that seek better relationships with their kids and/or loved ones. In this book, you will discover in seven easy-to-read chapters compelling reasons to get great at communicating. A path to incredible personal growth.
