The Blackhouse Carole Johnstone, 2024-02-06 Maggie Mackay has been haunted her entire life No matter what she does she can't shake the sense that something is wrong with her And maybe something is When she was five years old Maggie announced that a man on the remote island of Kilmeray in Scotland's Outer Hebrides a place she'd never visited was murdered Her unfounded claim drew media attention and turned the locals against each other creating rifts that never mended Now nearly twenty years later Maggie is determined to discover what really happened and what the villagers are hiding But everyone has secrets and some are deadly As she gets closer to the horrifying truth the island's legendary and violent storms begin to rage again and Maggie's own life is in danger

The Blackhouse Peter May, 2014-08-05 The first book in an enthralling mystery series from award winning author Peter May A WRITER I WOULD FOLLOW TO THE ENDS OF THE EARTH Marilyn Stasio The New York Times Book Review SHINES WITH INTRIGUE AND SUPERB PLOTTING USA Today Every step toward solving the case brings Scottish detective Fin Macleod closer to a dangerous confrontation with the dark events of the past that shaped and nearly destroyed his life When a grisly murder occurs on the Isle of Lewis that bears similarities to a brutal killing on mainland Scotland Edinburgh detective and native of the Isle of Lewis Fin Macleod is dispatched to the Outer Hebrides to investigate embarking at the same time on a voyage into his own troubled past As Fin reconnects with the people and places of his tortured childhood the desolate but beautiful island and its ancient customs assert their grip on his psyche

The Blackhouse Peter May, 2011 The Isle of Lewis is the most remote harshly beautiful place in Scotland where the difficulty of existence seems outweighed only by people's fear of God But older pagan values lurk beneath the veneer of faith the primal yearning for blood and revenge When a brutal murder on the island bears the hallmarks of a similar slaying in Edinburgh police detective Fin Macleod is dispatched north to investigate But since he himself was raised on Lewis the investigation also represents a journey home and into his past Each year the island's men perform the hunting of the gugas a savage custom no longer necessary for survival but which they cling to even more fiercely

in the face of the demands of modern morality For Fin the hunt recalls a horrific tragedy which after all this time may have begun to demand another sacrifice The Blackhouse is a crime novel of rare power and vision Peter May has crafted a page turning murder mystery that explores the darkness in our souls and just how difficult it is to escape the past *Black House* Stephen King, Peter Straub, 2012-11-06 A retired Los Angeles homicide detective living in a rural Wisconsin town Jack Sawyer is called in to assist the local police chief in solving a gruesome series of murders that causes Jack to experience inexplicable waking nightmares

The Bible in Crime Fiction and Drama Caroline Blyth, Alison Jack, 2019-01-24 The Bible has always enjoyed notoriety within the genres of crime fiction and drama numerous authors have explicitly drawn on biblical traditions as thematic foci to explore social anxieties about violence religion and the search for justice and truth The Bible in Crime Fiction and Drama brings together a multi disciplinary scholarship from the fields of biblical interpretation literary criticism criminology and studies in film and television to discuss international texts and media spanning the beginning of the 20th century to the present day The volume concludes with an afterword by crime writer and academic Liam McIvanney These essays explore both explicit and implicit engagements between biblical texts and crime narratives analysing the multiple layers of meaning that such engagements can produce cross referencing Sherlock Holmes with the murder mystery in the Book of Tobit observing biblical violence through the eyes of Christian fundamentalists in Henning Mankell's Before the Frost catching the thread of homily in the serial murders of Se7en or analysing biblical sexual violence in light of television crime procedurals The contributors also raise intriguing questions about the significance of the Bible as a religious and cultural text its association with the culturally pervasive themes of violence in morality and redemption and its relevance as a symbol of the often fraught location that religion occupies within contemporary secular culture
