The Body Finder:

The Body Finder Kimberly Derting, 2010-03-16 The first book in the Body Finder series from Kimberly Derting is equal parts romance and mystery Sixteen year old Violet is hiding two secrets The first is her confusing new feelings for her childhood best friend Jay The second is her unusual ability to sense the dead and the people who killed them Violet has never considered her morbid ability to be a gift but when a serial killer begins terrorizing her small town Violet realizes she may be the only person who can stop him Ever protective of her Jay agrees to help Violet and as they search Violet realizes she isn't the only one whose emotions have changed But as they fall in love Violet is also getting closer and closer to discovering the killer and becoming his prey herself The Body Finder is the compulsive first book in the four book Body Finder series by Kimberly Derting

The Body Finder with Bonus Material Kimberly Derting, 2011-02-22 For a limited time the complete text of the bestselling Body Finder along with a sneak peek at *Desires of the Dead* the much anticipated follow up is available for a special low price Sixteen year old Violet has the unusual ability to sense dead bodies or at least those that have been murdered She locates them by the echoes they leave behind and the imprints they leave on their killers Violet has never considered her strange ability to be a gift more like a very disturbing nuisance But when a serial killer begins terrorizing her small town and more and more local girls go missing and later turn up dead Violet realizes she may be the only person who can stop him Violet's best friend since childhood Jay is reluctantly helping her and Violet is beginning to realize that what she feels for Jay is much more than just friendship But even as she and Jay fall in love Violet is getting closer and closer to discovering the killer and becoming his prey herself

The Last Echo Kimberly Derting, 2012-04-17 In the end all that's left is an Echo Before Violet's morbid ability to sense the dead led her to uncover dark murders and long buried secrets in her small town Now that she's working with a special investigative team Violet hopes she can help even more people whether by saving a life or catching a killer Although she's relieved to finally be honest about what she can do her instant connection with her mysterious partner Rafe is both confusing and unsettling and their unique bond creates tension with her boyfriend Jay When she discovers the body of a college student murdered by the collector Violet refuses to give up on the case With her own relationship on the line Violet doesn't realize that the serial killer is looking to add to his collection and that she may have caught his eye Will the life Violet has to save be her own

Dead Silence Kimberly Derting, 2013-04-16 *Dead Silence* is the gripping fourth novel in the Body Finder series With romance suspense and unexpected twists *Dead Silence* will keep readers guessing until the very last page All her life Violet has grappled with her ability to sense the echoes of those who have been murdered and the matching imprint that clings to their killers Now that she has an imprint of her own Violet's gift is intolerable Torn between her desire to lead a normal life and the pressure from the Center to continue her work tracking down killers Violet's world starts to unravel and some of her most carefully guarded secrets are exposed Then she discovers a gruesome murder scene unlike anything she's ever encountered and she can't rest until she's silenced the echoes for good

As Violet sets out to find a vicious murderer and his band of devoted followers she realizes that protecting those closest to her is far more difficult than protecting herself **Desires of the Dead** Kimberly Derting,2011-02-15 Sixteen year old Violet Ambrose s ability to find murder victims and their killers draws the attention of the FBI just as her relationship with Jay her best friend turned boyfriend heats up **Desires of the Dead** Kimberly Derting,2011-02-15 The second book in the steamy romantic Body Finder thriller series by Kimberly Derting Violet and Jay are finally dating but adjusting to the new relationship is not as easy as Violet anticipated Especially when she has to split Jay s time and attention with his new best friend Mike and Mike s pesky younger sister who happens to be obsessed with Jay Meanwhile when Violet s special abilities lead her to the body of a young boy her tip to the police puts her on the radar of the FBI Violet tries to fend off the FBI s questions while maintaining the semblance of a normal life but somebody s leaving her threatening notes and an echo around Mike s house reinforces that all is not right Violet is forced to admit that perhaps the only people who can help her figure it out are the very people she s desperate to avoid the FBI **Desires of the Dead** is the compulsive second book in the four book Body Finder series by Kimberly Derting **Aggie Morton, Mystery Queen: The Body Under the Piano** Marthe Jocelyn,2025-04-03 Aggie Morton lives in a small seaside town Adventurous and imaginative but deeply shy she hasn t had much to do since the death of her beloved father until the fateful day when she crosses paths with twelve year old Belgian immigrant Hector Perot and discovers a dead body on the floor of the Mermaid Dance Room As the number of suspects grows and the murder threatens to tear the town apart Aggie and her new friend will need every tool to solve the case before Aggie s beloved dance instructor is charged with a crime Aggie is sure she didn t commit **Frontiers of Pattern Recognition** Satoshi Watanabe,2014-05-10 **Frontiers of Pattern Recognition** contains the proceedings of the International Conference on Frontiers of Pattern Recognition which took place on January 18 20 1971 at the University of Hawaii Honolulu The compendium consists of 30 papers from authorities from eleven different countries which describe the frontiers of pattern recognition as viewed from diverse viewpoints Topics discussed include some techniques for recognizing structures in pictures grammatical inference syntactic pattern recognition and stochastic languages and pattern cognition and the organization of information Also covered are subjects on human face recognition cluster analysis and learning algorithms of pattern recognition in non stationary conditions Computer scientists mathematicians statisticians linguists and psychologists will find the book informative **Specifications and Drawings of Patents Issued from the United States Patent Office** United States.
