

THE BOOK OF EULOGIES

EDITED *with* COMMENTARY *by* PHYLLIS THEROUX

A Collection of Memorial Tributes, Poetry, Essays, and Letters of Condolence

"I now understand why some anthologies are called treasures and described as golden. Phyllis Theroux has created a book of such deep sentiment and beauty of language that it is truly a golden treasury, a volume worth keeping for a lifetime. It offers an education in humanity, civility, friendship, and the beauty of words."

—THOMAS MOORE, AUTHOR OF *CARE OF THE SOUL*
AND *THE EDUCATION OF THE HEART*

The Book Of Eulogies Phyllis Theroux, 1997-05-30 A collection of memorial tributes poetry essays and letters of condolence

Remembrances and Celebrations Jill Werman Harris, 2007-12-18 A rich anthology of memorial tributes that offers a welcome reminder that although words cannot necessarily assuage grief they can provide tremendous comfort and perspective during our times of loss The likes of Dr Martin Luther King Benjamin Franklin W H Auden and Diana Princess of Wales as well as ordinary folk from the seventeenth century to the present are mourned and celebrated in the memorable eulogies condolence letters poems and epitaphs collected in these pages

Planning Memorial Celebrations Rob Baker, 2013-03-13 Memorial services are not so much rites for the dead as celebrations by the living and for the living of the lives of those who have died Such ceremonies are an important way of saying good bye yet most people are not sure exactly what to do when the task of arranging one falls to them Here is a practical and supportive guide explaining how to cope with all the details when efficiency is furthest from your mind Timing place and who should participate Selecting a minister or spiritual leader Choosing the right words and music Writing a eulogy Setting the scene with flowers photos and mementos Bringing closure by providing food drink and companionship afterward In addition to two sample memorial services an annotated bibliography and discography and a listing of memorial societies throughout the country Rob Baker offers helpful information and advice on funerals cremation undertakers including where to look on the Web to evaluate what they have to offer donating the body or its organs for medical purposes as well as a brief history of funerary traditions

Beyond the Five Paragraph Essay Kimberly Campbell, Kristi Latimer, 2023-10-10 Love it or hate it the five paragraph essay is perhaps the most frequently taught form of writing in classrooms of yesterday and today But have you ever actually seen five paragraph essays outside of school walls Have you ever found it in business writing journalism nonfiction or any other genres that exist in the real world Kimberly Hill Campbell and Kristi Latimer reviewed the research on the effectiveness of the form as a teaching tool and discovered that the research does not support the five paragraph formula In fact research shows that the formula restricts creativity emphasizes structure rather than content does not improve standardized test scores inadequately prepares students for college writing and results in vapid writing In *Beyond the Five Paragraph Essay* Kimberly and Kristi show you how to reclaim the literary essay and create a program that encourages thoughtful writing in response to literature They provide numerous strategies that stimulate student thinking value unique insight and encourage lively personal writing including the following Close reading which is the basis for writing about literature Low stakes writing options that support students thinking as they read Collaboration in support of discussion debate and organizational structures that support writing as exploration A focus on students writing process as foundational to content development and structure The use of model texts to write in the form of the literature students are reading and analyzing The goal of reading and writing about literature is to push and challenge our students thinking We want students to know that their

writing can convey something important a unique view to share defend prove delight discover and inspire If we want our students to be more engaged skilled writers we need to move beyond the five paragraph essay
