The Book of Saints and Friendly Beasts Abbie Farwell Brown, 2020-09-28 EVERY one has heard of Bridget the little girl saint of Ireland Her name is almost as well known as that of Saint Patrick who drove all the snakes from the Island Saint Bridget had long golden hair and she was very beautiful Many wonderful things happened to her that are written in famous books But I suspect that you never heard what she did about the King s Wolf It is a queer story This is how it happened The King of Ireland had a tame wolf which some hunters had caught for him when it was a wee baby And this wolf ran around as it pleased in the King s park near the palace and had a very good time But one morning he got over the high wall which surrounded the park and strayed a long distance from home which was a foolish thing to do For in those days wild wolves were hated and feared by the people whose cattle they often stole and if a man could kill a wicked wolf he thought himself a very smart fellow indeed Moreover the King himself had offered a prize to any man who should bring him a dead wolf For he wanted his kingdom to be a peaceful happy one where the children could play in the woods all day without fear of big eyes or big teeth Of course you can guess what happened to the King s wolf A big silly country fellow was going along with his bow and arrows when he saw a great brown beast leap over a hedge and dash into the meadow beyond It was only the King s wolf running away from home and feeling very frisky because it was the first time that he had done such a thing But the country fellow did not know all that Aha he said to himself I ll soon have you my fine wolf and the King will give me a gold piece that will buy me a hat and a new suit of clothes for the holidays And without stopping to think about it or to look closely at the wolf who had the King s mark upon his ear the fellow shot his arrow straight as a string The King s wolf gave one great leap into the air and then fell dead on the grass poor fellow The countryman was much pleased He dragged his prize straight up to the King s palace and thumped on the gate
