When it comes to the intersection of race privilege justice and the church Tasha is without question my best teacher Be the Bridge is THE tool I wish to put in every set of hands Jen Hatmaker WINNER OF THE CHRISTIAN BOOK AWARD Winner of the Christianity Today Book Award A leading advocate for racial reconciliation calls Christians to move toward deeper understanding in the midst of a divisive culture In an era where we seem to be increasingly divided along racial lines many are hesitant to step into the gap fearful of saying or doing the wrong thing At times the silence particularly

within the church seems deafening But change begins with an honest conversation among a group of Christians willing to give a voice to unspoken hurts hidden fears and mounting tensions These ongoing dialogues have formed the foundation of a global movement called Be the Bridge a nonprofit organization whose goal is to equip the church to have a distinctive and transformative response to racism and racial division In this perspective shifting book founder Latasha Morrison shows how you can participate in this incredible work and replicate it in your own community With conviction and grace she examines the historical complexities of racism She expertly applies biblical principles such as lamentation confession and forgiveness to lay the framework for restoration Along with prayers discussion questions and other resources to enhance group engagement Be the Bridge presents a compelling vision of what it means for every follower of Jesus to become a bridge builder committed to pursuing justice and racial unity in light of the gospel The Bridge at Dusk Xuejun Peng,2005

Daniels,2020-05-19 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult

Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made
