War Music Christopher Logue,2016-01-05 Logue has worked from what is still the greatest story of war ever told and created a vivid and fresh poem in a language he knew very well indeed Jeffrey Brown The New York Times Book Review Picture the east Aegean sea by night And on a beach aslant its shimmering Upwards of 50 000 men Asleep like spoons beside their lethal Fleet Your life at every instant up for Gone And candidly who gives a toss Your heart beats strong Your spirit grips writes Christopher Logue in his original version of Homer s Iliad the uncanny translation of translations that won ecstatic and unparalleled acclaim as the best translation of Homer since Pope s The New York Review of Books Logue s account of Homer s Iliad is a radical reimagining and reconfiguration of Homer s tale of warfare human folly and the power of the gods in language and verse that is emphatically modern and possessed of a very terrible beauty Slate Illness prevented him from bringing his version of the Iliad to completion but enough survives in notebooks and letters to assemble a compilation that includes the previously published volumes War Music Kings The Husbands All Day

Permanent Red and Cold Calls along with previously unpublished material in one final illuminating volume arranged by his friend and fellow poet Christopher Reid The result War Music comes as near as possible to representing the poet s complete vision and confirms what his admirers have long known that Logue s Homer is likely to endure as one of the great long poems of the twentieth century The Times Literary Supplement At its finest the result verges on genius George Steiner The Times Saturday Literary Review London
