*The Long 1968 in Hungary and Romania* Adrian-George Matus,2023-12-31 This book advances a local regional and comparative analysis of the history of the sixty eighters from Hungary and Romania between 1956 and 1975 The aim of the book is to answer to the following research question to what extent does the long 1968 mark and change protest history Another axis of my research equally important is how can one genuinely distinguish between a protest an opposition and a pastime Where did radicalisation truly begin and when was it solely an auto perception as a dissident In other words how can one truly distinguish between a leisure activity like listening to Radio Free Europe or exploring an altered state of consciousness and an explicit political activity like organising a protest or writing subversive texts Among other aims the books s scope is to understand where a leisure activity ends and a protest starts By practicing counterculture did the youth wish to contest the system or simply express themselves As method oral history plays a crucial part On a superficial level the interviews helped to fill in the archival gap However oral testimonies proved to reveal much more than essential factual information Oral history clarified how political and social events influenced the subjects memory formation

**The Romanian Revolution of December 1989** Peter Siani-Davies,2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d tat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe

Subcommittee on International Trade,1976 **Problems of Post-communism** ,2007 **The Edinburgh Review** ,1876 **Post-Communist Romania** D. Light,D. Phinnemore,2001-02-02 Drawing on contributions from various disciplines this up to date collection analyses Romania s experiences of the transition from the harsh realities of the Ceausescu dictatorship to the uncertainties of the efforts to consolidate democracy and introduce a market economy With its focus on Romania s progress in coming to terms with the legacy of its communist past the realities of pluralism the introduction of a market economy and the challenge of European integration the volume will be key reading for academics students and practitioners interested in transition and Romania **Power Struggle Over Afghanistan** Kai Eide,2011-11-01 Based on the author s own conversations with President Karzai and other Afghan politicians as well as prominent international representatives **Power Struggle Over Afghanistan** is a Norwegian diplomat s account of his two years at the United Nations Eide was President Karzai s closest international interlocutor from March 2008 2010 and he interacted with him regularly during the most hectic periods It was a time marred by widespread fraud including the controversial presidential elections and gross international interference much of which is still unknown to the general public Working closely with Karzai Eide was inevitably caught up in the rivalries between the Afghani authorities and the international community as well as in the tensions generated by the security situation Eide speaks freely and honestly about the political gambles the military reality and the people he met His story is a unique account of contemporary Afghanistan and its critique of military and civilian operations in Afghanistan will without doubt prove controversial **Histories (Un)Spoken** Cosmin Budeanca,Dalia Báthory,2017 This book contains analyses and case studies regarding the former political prisoners and their families fates impacted by the Communist dictatorships in Central and Eastern Europe Romania Poland Lithuania Republic of

Moldova Albania The focus of research is extended from the individuals to the social context in which they functioned as they were actors in flawed systems which were ready to harshly limit not only their actions but also of those closest to them The case studies trace disruptions and distortions of broken lives along with strategies to reclaim and restore an apparent normalcy Cosmin Budeanca PhD is expert at The Institute for the Investigation of Communist Crimes and the Memory of the Romanian Exile Dalia Bathory PhD is expert at The Institute for the Investigation of Communist Crimes and the Memory of the Romanian Exile

**Conflict in the Former USSR** Matthew Sussex, 2012-10-04 Since the collapse of the Soviet Union conflict in the former USSR has been a key concern in international security This book fills a gap in the literature on violent conflict evaluating a region that contains all the modern ingredients for instability and aggression Bringing together leading experts on war and security the book addresses current debates in international relations about power interests globalisation and the politics of identity as major drivers of contemporary war Incidents such as the 2008 Russo Georgian conflict the wars in Chechnya and Russia's struggles over national identity and resources with former communist states are all thoroughly examined With new issues like energy security terrorism and transnational crime and older tensions between East and West threatening to deepen once more this is an important contribution to the international security literature

The Politics of Population Stanley Johnson, 2013-11-05 The International Conference on Population and Development in Cairo in 1994 represented a remarkable watershed Not only did it produce an unprecedented degree of agreement among the 179 countries and thousands of non governmental organizations taking part it also created a wide ranging Programme of Action which for the first time offers real chances of progress by putting population policies at the heart of the struggle for social development This book recounts what actually happened in Cairo and how it was achieved The early chapters look in some detail at the preparations for Cairo in the context of over three decades of attempts to integrate population development and environmental issues Focusing on the key controversial questions including abortion contraception and adolescent sex it examines the ways in which attempts were made to reconcile opposing positions Setting the discussion in a much wider context it argues that Cairo witnessed a quantum leap in the way the population issue is seen and the need to give them control over their own lives central to the discussion about population resources and development The Programme of Action which emerged from the conference particularly the parts dealing with gender issues included here in appendices is the most forward looking ever adopted As a whole the Programme is probably one of the most important social documents of our time This book captures both the drama and the detail of its creation Stanley Johnson edited The Population Problem 1974 and is the author of World Population and the United Nations 1987 and World Population Turning the Tide 1994 as well as numerous other books including eight novels Originally published in 1995

Hopes and Shadows James F. Brown, 1994 After the exuberance that marked the revolutions of 1989 the countries of Eastern Europe have faced the breathtakingly ambitious task of remaking their societies Simultaneously they have sought to build liberal democracies based on market

economics while confronting reassertions of claims for national independence long suppressed Taking up where his previous book *Surge to Freedom* ended J F Brown's *Hopes and Shadows* analyzes the results of the first four years of Eastern Europe's separation from communist rule and the prospects for the future The forces at work in the midst of this revolution are examined from a perspective that is necessarily both historical and contemporary as the complex relationship between the tasks that face these countries and the legacy of their communist and pre communist past shape the difficult present As the usefulness of the designation Eastern Europe is itself questioned Brown provides both regional and country by country analysis of the political situation The Czech Republic Slovakia Hungary and Poland are grouped together as are Romania Bulgaria and Albania to address questions such as the development of liberal democratic culture the activation of democratic institutions and procedures and the future of former communist bureaucracies He considers the former Yugoslavia now torn violently apart largely as a separate case The theoretical political social financial cultural and psychological dimensions of the transition from socialism to a market economy are discussed in detail The final aspect of this revolution the failure of which most immediately threatens the entire process is the attempt to build new and stable national statehoods Brown explores the history and impact of the current reemergence of nationalism and the dangers it represents A comprehensive and authoritative survey J F Brown's analysis and presentation of the contemporary Eastern European political landscape will be essential reading for scholars and specialists and of great interest to general readers

### **Ceausescu and the Securitate**

Dennis Deletant, 2016-12-05 First Published in 2017 This book contains Deletant's research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security

### **Romania 1944**

Grant Harward, 2024-09-26 The complex and fascinating story of Romania's turning of arms against Nazi Germany and the battle for Romania an important but overlooked and misunderstood episode of World War II The battle for Romania from March to September 1944 is a multifaceted story involving German Romanian Soviet American and British forces Romania's defection from the Axis denied Nazi Germany not just resources especially oil but also turned the Romanian Army formerly its most important support on the Eastern Front from friend to foe The fighting witnessed the German Sixth Army being destroyed for a second time after Stalingrad This in depth work explores the strategic struggle within German Romanian relations and the tactical development of the Battle of Romania The detailed 2D maps and 3D diagrams guide you step by step through the Axis defence of Romania in March May during the first Iasi Chisinau offensive the Allied campaign in April August to assist the Soviets the Axis collapse in August during the second Iasi Chisinau offensive the Romanian defeat of the attempted German counter coup and the final Soviet occupation of Romania Period photographs from the Romanian archives and private collections many never before seen and stunning

### The Bucharest Conspiracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Bucharest Conspiracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Bucharest Conspiracy has opened up a world of possibilities. Downloading The Bucharest Conspiracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Bucharest Conspiracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Bucharest Conspiracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Bucharest Conspiracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Bucharest Conspiracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Bucharest Conspiracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
