Animal Totems and the Gemstone Kingdom Margaret Ann Lembo,2018-06-19 Shares the wisdom of animals and their matching gemstones to help work on yourself mentally emotionally physically and spiritually Reveals the energetic connections between 88 different animal allies and 88 gems stones and crystals from the mineral kingdom Includes animal medicine teachings from a variety of creatures from hummingbirds and cats to dolphins and bears to help you find inner peace knowledge and wisdom Explains how the color formation and the manner in which a stone grows in the Earth offers a teaching to know yourself and your life purpose All creatures great and small in all species on this planet are interconnected When an animal insect bird or other creature from nature appears repetitively whether in real life or dreams it is time to pay attention and find the message that nature is bringing you There are many teachings available to us through the observation of a particular animal totem and their habits and patterns For example parrot medicine can teach us to see life from another perspective as we mimic the wise ones who have walked on the path before us Mouse medicine teaches us to scrutinize all the details before taking action Bear may teach you to go within yourself to find answers within your personal cave Every animal is an ally and every animal has a story to help you find inner peace knowledge and wisdom The associated gemstone for each animal totem is a further indication of the energy of the animal as symbolism and a teaching on your sacred journey Crystals minerals and stones hold the history of the Earth and all this planet has to offer you to evolve your soul and spirit in this incarnation The color formation and the manner in which the stone grows in the Earth offers a teaching to know yourself
