## **The Call To Aloneness:**

**The Call to Aloneness** Samuel N. Greene, 2014-11-24 I hope and pray that this book will bless and minister to you and speak to you about the reasons we're called to be alone the reasons why we go through times of separation times of misunderstanding and times of deep loneliness Never forget this When Jesus called His disciples He called them in the book of Mark to be first of all with Him and then to preach the gospel cast out devils and heal the sick Mark 3 14 15 Our first and highest calling is to be alone with Him Our walk with God is personal and when we're called to the ministry called to a higher calling the times of aloneness and separation can be great Yes it's true it can be very lonely Sometimes like Elijah we find ourselves depressed and dark I Kings 19 Jesus Himself was alone in the garden of Gethsemane Paul was alone praying for deliverance David said he was as a sparrow alone upon the house top Psalms 102 7 Jeremiah said I sat alone because of thy hand Jeremiah 15 17 Moses alone drew near the thick darkness where God was Exodus 20 21 The last place we find the bride before the coming of the Lord is in the wilderness Paul said in II Timothy 4 16 At my first answer no man stood with me but all men forsook me We find Jacob wrestling alone with God Genesis 32 24 Paul in Acts 19 9 separated the disciples disputing daily in the school of one Tyrannus This is what happens to us when we're called to the glory and when we have a ministry of the true anointing Not including that sometimes life in general brings us circumstances such as handling betrayal being single without a mate going through a terrible divorce or being a widow or widower that brings seasons of loneliness But the times that God has called us to be alone with Him you will find will be the most precious times of your life As you look back you will see that you've grown the most when you've endured the most suffering You will have more glory more anointing more revelation more understanding and a greater level intimacy with God because of these times alone Allow God the privilege of breaking you dealing with you so that you can become a true minister radiating His Word and manifest presence to all who come near I pray this book edifies comforts encourages you And that you will never fear times of aloneness anymore but embrace them knowing that God is with you and that there will be an end for it

*On My Own* Florence Falk, 2008-03-25 At some point over the course of the average American woman s life she will find herself alone whether she is divorced widowed single or in a loveless isolating relationship And when that time comes it is likely that she will be at a loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified On My Own boldly shifts that paradigm With inspiring intimate stories of women from all backgrounds Falk illuminates the essential role that being alone plays in women s lives Whether she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society s stigmas about being alone life and all its possibilities will open up

for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily
