

Dear Daughters,

It has been my job to protect you and be your role model; to show you that hard work pays off and that you can be anything you want to be. I have tried to be an example of how a lady should look and behave, and I have certainly taught you that keeping a clean house, knowing how to cook and do laundry, and caring for your spouse does not make you inferior. But now, my dear daughters, I am being shoved out of the way. A new influence has taken over, one that I can't fight on my own.

You see, when I was a little girl, television was filled with shows that were funny, family friendly and positive. AND THEY SPOKE ENGLISH. (I know, hard to believe.) There were no women acting like fools, fighting each other and jumping over tables. There were no half naked, booty popping chicks on my screen, and certainly no women who allowed men to treat them badly. My examples were the teachers who gave me extra time after school because I had fallen behind in my math class, and the neighborhood families who would tell on me in a heartbeat if I was acting out of pocket, and my mom who worked two full time jobs to take care of me and make sure we had what we needed.

There was no Internet to fill my mind with garbage and distaste, pressing upon me glamorized ideas that, If you are woman, just take your clothes off because that is the fastest way to make money. Or post your surgically enhanced lady bits on Facebook and act as if getting the cover of King Magazine is the highlight of your career. Or that getting drunk is cute and funny...it's NOT. You see, as much as I have tried to shield you and teach you, the abundance of ignorance is like a tsunami, and I am helpless against it. So, I need your help. I need you to remember all the things I have taught you so that when you are bombarded with the images of this world, you can remind yourself that having class and self respect will take you further in life than any "Ratchetness" ever can.

Remember that you don't need anyone to define you! you don't need to accept anything that does not meet your standards and yes you must have standards and please always remember that your body is a temple and should be treated with honor and respect. Remember that if a man is not willing to wait for you, care for you, and stand up for you, then he doesn't deserve you. And when your young adult minds start to lapse because you want to be part of 'the group', and be accepted by your friends, remember that I raised you to be a leader not a follower.

Mandela,2018-07-10 One of NPR s Great Reads of 2018 An unforgettable portrait of one of the most inspiring historical figures of the twentieth century published on the centenary of his birth Arrested in 1962 as South Africa s apartheid regime intensified its brutal campaign against political opponents forty four year old lawyer and African National Congress activist Nelson Mandela had no idea that he would spend the next twenty seven years in jail During his 10 052 days of incarceration the future leader of South Africa wrote a multitude of letters to unyielding prison authorities fellow activists government officials and most memorably to his courageous wife Winnie and his five children Now 255 of these letters many of which have never been published provide exceptional insight into how Mandela maintained his inner spirits while living in almost complete isolation and how he engaged with an outside world that became increasingly outraged by his plight Organized chronologically and divided by the four venues in which he was held as a sentenced prisoner The Prison Letters of Nelson Mandela begins in Pretoria Local Prison where Mandela was held following his 1962 trial In 1964 Mandela was taken to Robben Island Prison where a stark existence was lightened only by visits and letters from family After eighteen years Mandela was transferred to Pollsmoor Prison a large complex outside of Cape Town with beds and better food but where he and four of his comrades were confined to a rooftop cell apart from the rest of the prison population Finally Mandela was taken to Victor Verster Prison in 1988 where he was held until his release on February 11 1990 With accompanying facsimiles of some of his actual letters this landmark volume reveals how Mandela a lawyer by training advocated for prisoners human rights It reveals him to be a loving father who wrote to his daughter I sometimes wish science could invent miracles and make my daughter get her missing birthday cards and have the pleasure of knowing that her Pa loves her aware

that photos and letters he sent had simply disappeared More painful still are the letters written in 1969 when Mandela forbidden from attending the funerals of his mother and his son Thembi was reduced to consoling family members through correspondence Yet what emerges most powerfully is Mandela s unfaltering optimism Honour belongs to those who never forsake the truth even when things seem dark grim who try over and over again who are never discouraged by insults humiliation even defeat Whether providing unwavering support to his also imprisoned wife or outlining a human rights philosophy that resonates today The Prison Letters of Nelson Mandela reveals the heroism of a man who refused to compromise his moral values in the face of extraordinary punishment Ultimately these letters position Mandela as one of the most inspiring figures of the twentieth century From The Prison Letters of Nelson Mandela A new world will be won not by those who stand at a distance with their arms folded but by those who are in the arena whose garments are torn by storms whose bodies are maimed in the course of contest I am convinced that floods of personal disaster can never drown a determined revolutionary nor can the cumulus of misery that accompanies tragedy suffocate him My respect for human beings is based not on the colour of a man s skin nor authority he may wield but purely on merit A good pen can also remind us of the happiest moments in our lives bring noble ideas into our dens our blood our souls It can turn tragedy into hope victory
