The material emphasized in this book is placed on Reading Literature and Reading Informational Text. Common Core Standards Practice problems in this book involve answering questions that refer explicitly to stories as basis for answers determining central messages lessons or moral as conveyed via key details in stories determining meaning of words and phrases as they are used in the stories describing how each successive part builds on earlier sections of the stories distinguishing their own point of view apart from narrator or characters in stories explaining specific aspects of text's illustrations as it relates to the stories and comparing and contrasting themes or plots in the stories. These standards are covered extensively through multiple choice practice problems. This book contains over 250 practice problems aligned to each Common Core State Standard. In addition, the book contains an answer key to practice problems.
