Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The WPA Guide to South Carolina presents a state at the epicenter of Southern culture. The Palmetto State's guide comes complete with the standard driving tours across the Blue Ridge Mountains and Mid Atlantic coast, as well as recipes for delicacies such as Cracklin Bread and Peach Leather.
