The Lion and the Springbok Ronald Hyam, Peter Henshaw, 2003-05-15 The Lion and the Springbok presents an account of the dynamics and divergences of the uneasy special relationship of Britain and South Africa From the bruising experience of the South African War 1899-1902 to South Africa's withdrawal from the Commonwealth in 1961 the authors chart this relationship in all its political economic cultural and geostrategic aspects All the major disputes are discussed including the struggle for the High Commission Territories the crisis over Seretse Khama's marriage and the transfer of the Simon's Town naval base These issues trace for the most part a continuing deterioration in relations as Afrikaner nationalist identity hardened and South African politics slid into the extremes of apartheid The perceptions each side had of the other after 1948 are examined through representations in the media and an epilogue considers the reasons for the return of the New South Africa to the Commonwealth in 1994

Military Psychology for Africa Gideon Van Dyk, 2016-03-17 Military Psychology for Africa is the first textbook of its kind from Africa Selected authors with competent military psychology knowledge skills expertise and experience each contributed a chapter to this unique book The book empowers academics students and military fellows to

apply this knowledge at academic institutions and military units during operations and in presenting short courses The book will also equip soldiers with new knowledge for advancing peace on the continent and abroad

Contemporary Issues in South African Military Psychology Nicole Dodd,Petrus C. Bester,Justin van der Merwe,2020-05-13 Contemporary Issues in South African Military Psychology is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria *British and Foreign State Papers* Great Britain. Foreign and Commonwealth Office,1975 *Home Front: South Africa and the Second World War* Evert Kleynhans,Anri Delpont,2024-11-15 Home Front South Africa and the Second World War offers a fresh academic perspective through the voices of both new and established scholars leveraging recently uncovered archival material to illuminate the experiences of South Africans at home between 1939 and 1945 This latest addition to South Africa s wartime historiography is thoughtfully divided into two broad sections dealing with active participation in and resistance against the Allied war effort The book highlights the vigorous mobilisation and recruitment campaigns that saw thousands enlist and the pivotal roles women assumed in industry and civil service It explores how the war effort permeated every facet of society challenging traditional gender roles and societal norms It delves into the dynamic shifts within South African society from politics and community mobilisation to the contributions of collegiate schools and the impact on sports It uncovers the undercurrents of dissent that

existed alongside visible support It brings to light the political activism within the African National Congress the covert operations of Nazi sympathisers and the simmering tensions among Afrikaner nationalists In doing so the chapters collectively unravel the complexity of South African society where loyalty and opposition coexisted often influenced by propaganda espionage and socio political manoeuvring The Lawhill Story John Richardson,2014-04-22 During the long gone ages of maritime history many ships of sail and steam have captured the imagination one of them was a sailing vessel named Lawhill a four masted barque which after being built at Dundee in 1892 lasted right up until 1957 *Field Guide to the Eastern & Southern Cape Coasts* Irene J.
