Police Integrity in South Africa Sanja Kutnjak Ivkovich, Adri Sauerman, 2020-04-29 Policing in South Africa has gained notoriety through its extensive history of oppressive law enforcement In 1994 as the country's apartheid system was replaced with a democratic order the new government faced the significant challenge of transforming the South African police force into a democratic police agency the South African Police Service SAPS that would provide

unbiased policing to all the country's people More than two decades since the initiation of the reforms it appears that the SAPS has rapidly developed a reputation as a police agency beset by challenges to its integrity This book offers a unique perspective by providing in depth analyses of police integrity in South Africa It is a case study that systematically and empirically explores the contours of police integrity in a young democracy Using the organizational theory of police integrity the book analyzes the complex set of historical legal political social and economic circumstances shaping police integrity A discussion of the theoretical framework is accompanied by the results of a nationwide survey of nearly 900 SAPS officers probing their familiarity with official rules their expectations of discipline within the SAPS and their willingness to report misconduct The book also examines the influence of the respondents race gender and supervisory status on police integrity Written in a clear and direct style this book will appeal to students and scholars of criminology policing sociology political science as well as to police administrators interested in expanding their knowledge about police integrity and enhancing it in their organizations

Hitmen for Hire Mark Shaw, 2017-07-10 *Hitmen for Hire* takes the reader on a journey like no other navigating a world of paid hitmen informers rogue policemen criminal taxi bosses gang leaders and crooked politicians and businessmen Criminologist Mark Shaw examines a society in which contract killings have become commonplace looking at who arranges hits where to find a hitman and even what it is like to operate as a hitman or woman Since 1994 South Africa has seen a worrying increase in the commercialisation of murder and has been rocked by several high profile contract killings Drawing on his research of over a thousand incidents of hired assassinations from 2000 to 2016 Shaw reveals how these murders are used to exert a mafia type control over the country's legal and illegal economic activity Contracted assassinations and the organised criminal activity behind them contain sinister linkages with the underworld most visibly in relation to disputes over tenders and access to government resources State security actors increasingly mediate relations between the under and upper worlds with serious implications for the long term success of the post apartheid democratic project

Why We Kill Karl Kemp, 2024-03-02 Why do so many South Africans prefer taking the law into their own hands to relying on the police Why are those who do so often cheered or sympathised with Of the unprecedented 27 000 recorded murders in South Africa in 2022 at least 1 894 or 7 per cent were attributed to mob justice and vigilantism more than double the number from five years before In the first nine months of 2023 a further 1 472 mob justice deaths had already been registered Mob justice is nothing new but in recent years it has taken on an undeniably desperate furious edge From the breathtakingly violent Zandspruit massacre in May 2021 to the killings during the July unrest two months later to the march of Operation Dudula across the nation in 2022 vigilantism and the condoning of it has never before captured the zeitgeist of South Africa so sharply What has changed in the past few years and what does it augur for the future Following three recent cases of mob justice from the hellish metropolitan townships of Gauteng to the far flung bushveld of northern Limpopo and drawing on extensive research and interviews *Why We Kill* explores the roots realities and consequences of South Africa's

current crisis of vigilantism *Police Science: Breakthroughs in Research and Practice* Management Association, Information Resources, 2019-01-04 Violent behavior is an unavoidable aspect of human nature and as such it has become deeply integrated into modern society In order to protect and defend citizens the foundational concepts of fairness and equality must be adhered to within any criminal justice system As such examining police science through a critical and academic perspective can lead to a better understanding of its foundations and implications *Police Science Breakthroughs in Research and Practice* is an authoritative reference source for the latest scholarly material on social problems involving victimization of minorities and police accountability It also emphasizes key elements of police psychology as it relates to current issues and challenges in law enforcement and police agencies Highlighting a range of pertinent topics such as police psychology social climate and police departments and media coverage this publication is an ideal reference source for law enforcement officers criminologists sociologists policymakers academicians researchers and students seeking current research on various aspects of police science **Inside an African Police Force** Jude Kagoro, 2022-10-18 The book discusses police practices in Uganda which are understood as fluid and reflective of the socio political cognitive and discursive contexts within which the Uganda Police Force UPF exist The author was immersed in the UPF both as an ethnographer and a consultant The book demonstrates how police officers navigate clashes between personal interests and those of the UPF shedding more light on the divergences and convergences between policies in theory and policies in practice It contributes to the literature on police research especially to our understanding of policing and the anthropology of the state in Africa It highlights that the Ugandan police engages in political policing and its role is stretched beyond its legal mandate The target audience is twofold first academics interested in police studies and the undercurrents of interface bureaucracies in Africa Second practitioners focused on improving state and police services in African contexts **Creating a Sustainable Vision of Nonviolence in Schools and Society** Singh, Swaranjit, Erbe, Nancy D., 2017-01-10 A nonviolent environment provides many benefits to its population Although all industries can reap the rewards of nonviolence its positive impacts can particularly be examined in applied disciplines like conflict resolution child development criminal justice and social work *Creating a Sustainable Vision of Nonviolence in Schools and Society* is a unique reference source that discusses the value that nonviolent spaces can add to educational institutions and societies Featuring extensive coverage on relevant topics including conflict skills intersectional dialogue mentoring co existence and police brutality this is an outstanding resource of academic material for educators academicians graduate students and researchers seeking to expand their knowledge on nonviolent methods and techniques for educational environments **How Countries Count Crime** John A. Eterno, Arvind Verma, Eli B. Silverman, 2022-09-30 This edited collection illuminates the weaknesses and strengths of crime reporting across a wide range of countries with a focus on democratic countries in which the police bear some accountability to citizens In one compendium for the first time this book documents how different countries record or fail to record crimes

With chapters written by native authors who are experts on the practices of their respective countries the book explores practices in 15 different countries across the globe Organized with a parallel country by country approach the book describes and analyzes methods police use to record crimes with the awareness that the counting of crimes is not only an issue of empirical measurement but also one of social construction Crime reporting practices vary widely by country In some cases reports are not taken and in others reports are carefully based on preliminary investigations Willful manipulation of crime reports can and does occur and the book explores related factors such as political pressure personal ambition community safety and more Discussion questions at the end of each chapter help the reader evaluate the significant issues influencing each country The editors conclude by suggesting best practices for crime reporting and the collection of crime data A unique addition to this book is a foreword by Tofiq Murshudlu the Head of Drugs and Crime for the United Nations in Vienna The book is intended for a wide range of audiences including policing scholars law enforcement and community leaders and students of criminal justice
