Cousins, Judson Poling, 2016-10-11 The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington Illinois Since its release in 1992 it has been used by churches and small groups to help raise up devoted disciples of Christ Group members who work through the program will lay a solid foundation for a lifelong walk with God While small groups may be formed for a variety of purposes the goal of this curriculum is for groups to produce disciples fully devoted followers of Christ by studying God s Word in community To this end the goal of the study is to produce disciples who walk with God have a personal relationship with Jesus and live in step with the Holy Spirit It is also to produce believers who live the Word in all areas of life and contribute to the work that God is doing in the local church Ultimately the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others This material will help develop these attributes in group members Each lesson includes group Bible study and discussion questions in addition to devotions reflections and personal study for use by individuals between the group sessions *The Priority of Making Disciples* Danny Clymer, 2020-08-18 Those in the church and ministry are familiar with the Great Commission the call to go forth and make disciples However for many it isn t that easy in a world increasingly influenced by doubters and distractions Many Christian leaders may talk about it but few really do it Making disciples isn t a complicated program but a simple plan that comes only from Jesus Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too Discover How Jesus

practiced the Great Commission before He ever preached it Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being discipled to evaluate the progress they are making in their walk with Christ

Discipleship Bruce Hitchcock, 2017-09-05 A major issue in Christianity today is spiritual apathy Believers flock to

churches that teach the knowledge of God's word without an emphasis on its application. As a result, Christians are always learning but never able to come to a knowledge of the truth. 2 Timothy 3:7. Reverence for God and service to God have become secondary to the lure of the world system and its empty rewards. God must become first in our lives if we are to be obedient to Him. The intent of this book is to convince the reader of the need to grow in Christ and to train others in the process. Discipling is essential to living the Christian life, the abundant life. John 10:10 that Jesus promised to every believer. Yet so many of us struggle through life attempting to survive in our own strength. Jesus wants us to depend on him. When we learn to make Jesus the Lord of our lives, we walk in His light. His truth with Him by our side. 1 John 1:7. Matthew 28:20. Discipleship is the instrument that God has provided for us to know him. Knowing God leads us to greater faith in Him. That greater faith finds its completion in the hope of a better life here on earth and eternal life with Him who saves and keeps us.
