Choices, A Novel About Choosing A Life

Forrest Landry,2005-10 Choices is an amazing collection of 75 short short stories all telling about Hugh Sutherland s daily choices He lives in the middle of the block and has to choose to go left or right each morning to get to either of two bus lines so he can go to work One frigid morning he gets hit between the eyes with the realization that if he goes left he misses all the experiences he d have had if he d gone right and vice versa He s blown away by his philosophical epiphany and sits on his front stoop freezing his tuckus off And finally he has to get up and go one way or the other The rest of the stories show his sudden awareness having a great impact on his life It s a riveting tale I wrote Choices to show how choices have far reaching effects If not one way then another it s not always just left or right And if you choose a way that you don t like then choose another The Choice Is Yours Rated R
