*Revelation Revisited* Stephen Zehring Surridge,1995 **Like a Mighty Army** David W Taylor,2015-02-26 In 1937 prior to the 1948 inauguration of the World Council of Churches Karl Barth challenged the churches to engage in real strict sober genuine theology in order that the unity of the church might be visibly realized At that time The Salvation Army didn t aspire to become formally known as a church even though it was a founding member of the WCC Today it is globally known as a social welfare organization concerned especially to serve the needs of those who find themselves at the margins of society Less well known is that seventy years after Barth s challenge it has made its peace with the view that it is a church denomination Accepting Barth s challenge to the churches and in dialogue with his own ecumenical ecclesiology the concept of the church as an Army is interrogated in service to The Salvation Army s developing understanding of its identity and to the visible unity of God s church
