Egyptian cobras It is a story of double dealing mining corruption where an opposing mining conglomerate is on a ruthless mission to control and if necessary destroy their opposition This leads to a terrifying web of bizarre ongoing pandemonium that involves assassination gold bullion heists and international drug syndicates under the guise of touring magicians This lethal somewhat humorous family spearheads the high speed action and never ending mayhem throughout the story concluding with a double dealing rip off by entrepreneurial Somali pirates raising finance for their cause Some Wild Things is dramatic fast and funny with a sprinkling of brutal insanity that endorses once again the premise that there is no such thing as coincidence Think Pulp Fiction Kill Bill and Two Smoking Barrels and youve got Some Wild Things *Field and Stream*,1924 Hunter-trader-trapper,1911 **Outing**,1911 *Illustrated Sporting & Dramatic News*,1905 **Safari 101** David L. Brown,2012-01-01 Mbogo the Black Death which manifests itself in the African Cape buffalo now stood less than 12 feet away from me The cow and calf were too close for me to have time to be scared I would only have time to react on instinct if they came closer That is the type of excitement that every hunter dreams of and it is still possible in Africa today It is also one that I was fortunate enough to experience without any permanent ill effects Eighty percent or more of American hunters think that Africa is too expensive or off limits and that they will never have a chance to experience their own up close and personal adventure in the African bushveld Safari 101 proves just the opposite Safari 101 is written for the hunter that has always considered Africa out of reach someone who has a spark of desire just waiting to be fanned into a flame American hunters spend thousands of dollars every year hunting at home Almost none of them know that for the price of a guided elk hunt in the western United States they can take an African Safari The myths of being too expensive and too difficult are firmly entrenched in many hunters minds Safari 101 has forty six hints dispersed throughout 11 chapters and proves these myths false Personal experiences are used to illustrate the value of each hint and to make each one easy to remember Safari 101 takes the author s experiences and what he learned from professional hunters and outfitters and puts the information in a logical progression that is entertaining as well as informative Safari 101 will help fan the spark into a flame
