Manning, 2003-05-15 World history has expanded dramatically in recent years primarily as a teaching field and increasingly as a research field Growing numbers of teachers and Ph Ds in history are required to teach the subject They must be current on topics from human evolution to industrial development in Song dynasty China to today s disease patterns and then link these disparate topics into a coherent course Numerous textbooks in print and in preparation summarize the field of world history at an introductory level But good teaching also requires advanced training for teachers and access to a stream of new research from scholars trained as world historians In this book Patrick Manning provides the first comprehensive overview of the academic field of world history He reviews patterns of research and debate and proposes guidelines for study by teachers and by researchers in world history *The Last Supper on the Moon Bible Study Guide plus Streaming Video* Levi Lusko, 2022-02-01 This Study Guide includes Individual access to five streaming video sessions Discussion and reflection questions with video notes Personal study between sessions Leader s Guide In the summer of 1969 Buzz Aldrin had a mission His goal was to fly 240 million miles from earth and along with fellow astronaut Neil Armstrong be the first to walk on the moon But moments before that historic step Aldrin poured a specially prepared drink into a cup and partook of a sacred celebration that had first occurred two thousand years before The lunar Last Supper was full of meaning just as it had been when Jesus himself took of the elements and acknowledged his calling and purpose But the significance didn t end there Today as we remember the sacrifice of Christ on the cross followed by his

resurrection we are reminded that what seemed to be an end became the genesis of everything including the rescue and restoration of anyone who calls on Jesus name In this five session study bestselling author and pastor Levi Lusko journeys back in time and forward in hope using the 1969 lunar mission as an analogy of the metamorphosis that was unleashed by the man from Galilee Along the way he uncovers the remarkable seven statements that Jesus made from the cross words that provide us everything we need in the chaos of our world to conquer judgment persecution anxiety and pain Designed for use with The Last Supper on the Moon Video Study sold separately Streaming video access code included Access code subject to expiration after 12 31 2027 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside
