Lundin, 2020 Union Pacific Railroad s Averell Harriman had a bold vision to restore rail passenger traffic decimated by the Great Depression create ski tourism in Idaho s remote Wood River Valley A 1 5 million investment opened Sun Valley in December 1936 with a lavish lodge luxury shopping Austrian ski instructors and extensive backcountry skiing Prestigious tournaments featured the world s best skiers Chairlifts invented by Union Pacific engineers serviced skiers quickly and comfortably Ski instructor and filmmaker Otto Lang recalled that seemingly overnight it became a magnet for the beautiful people a meeting place for movie stars and moguls chairmen and captains of industry Greek shipping tycoons and peripatetic playboys and playgirls of the international social set After World War II and Harriman s departure Union Pacific s willingness to pay the 500 000 yearly subsidy waned Bill Janss purchased it in 1964 and reimagined it as a year round resort but lacked the capital for growth Sinclair Oil owners Earl and Carol Holding acquired it in 1977 revitalizing it into a premier resort with international status Award winning ski historian John W Lundin celebrates America s first destination ski resort using unpublished Union Pacific documents oral histories contemporaneous accounts and more than 150 historic images *The Naval Route to the Abyss* Matthew S. Seligmann, Frank Nögler, 2016-03-03 The intense rivalry in battleship building that took place between Britain and Germany in the run up to the First World War is seen by many as the most totemic of all armaments races Blamed by numerous commentators during the inter war years as a major cause of the Great War it has become emblematic of all that is wrong with international competitions in military strength Yet despite this notoriety the Great Naval Race has not received the attention that this elevated status would merit and it has never been examined from the viewpoint of both of its participants simultaneously and equally This volume which contains a comprehensive survey of the existing scholarship on this topic both English language and German as well as important primary source materials from a range of archives in both Britain and Germany fills this gap By putting the actions of the British Admiralty side by side with those of its German counterparts it enables the naval race to be viewed comparatively and thereby facilitates an understanding of how the two parties to this conflict interacted By offering a comprehensive range of German documents in both their original text and in English translation the book makes the German role in this conflict accessible to an English speaking audience for the first time As such it is an essential volume for any serious student of naval policy in the pre First World War era *Polish Jews in the Soviet Union (1939-1959)* Katharina Friedla, Markus Nesselrodt, 2021-12-14 Winner of the 2022 PIASA Anna M Cienciala Award for the Best Edited Book in Polish Studies The majority of Poland s prewar Jewish population who fled to the interior of the Soviet Union managed to survive World War II and the Holocaust This collection of original essays tells the story of more than 200 000 Polish Jews who came to a foreign country as war refugees forced laborers or political prisoners This diverse set of experiences is covered by historians literary and memory scholars and sociologists who specialize in the field of East
