In the Beginning Was the Word: Language Vern S. Poythress, 2009-10-27 Language is not only the centerpiece of our everyday lives but it gives significance to all that we do It also reflects and reveals our all sustaining Creator whose providential governance extends to the intricacies of language Writes Vern Poythress God controls and specifies the meaning of each word not only in English but in Mandarin Chinese Hindi Italian and every other language When in our modernism or postmodernism we drop him from our account of language our words suddenly become a prison that keeps us from the truth rather than opening doors to the truth But we will use our words more wisely if we come to know God and understand him in relation to our language It is such biblically informed insights that make *In the Beginning Was the Word* especially valuable Words are important to us all and this book written at a level that presupposes no knowledge of linguistics develops a positive God centered view of language In his interaction with multiple disciplines Poythress offers plenty of application not just for scholars and church leaders but for any Christian thinking carefully about his speech

Filial Piety in Chinese Thought and History Alan Chan, Sor-Hoon Tan, 2004-08-02 The phenomenon of filial piety is fundamental to our understanding of Chinese culture and this excellent collection of essays explores its role in various areas of life throughout history Often regarded as the key to preserving Chinese tradition and identity its potentially vast impact on government and the development of Chinese culture makes it extremely relevant and although invariably virtuous in its promotion of social cohesion its ideas are often controversial A broad range of topics are discussed chronologically including Confucianism Buddhism and Daoism making it essential reading for those studying Chinese culture religion and philosophy This is a multi disciplinary survey that combines historical studies with philosophical analysis from an international team of respected contributors
