An Archaeology of Early Christianity in Vanuatu James L. Flexner, 2016-12-19 Religious change is at its core a material as much as a spiritual process Beliefs related to intangible spirits ghosts or gods were enacted through material relationships between people places and objects The archaeology of mission sites from Tanna and Erromango islands southern Vanuatu formerly the New Hebrides offer an informative case study for understanding the material dimensions of religious change One of the primary ways that cultural difference was thrown into relief in the Presbyterian New Hebrides missions was in the realm of objects Christian Protestant missionaries believed that religious conversion had to be accompanied by changes in the material conditions of everyday life Results of field archaeology and museum research on Tanna and Erromango southern Vanuatu show that the process of material transformation was not unidirectional Just as Melanesian people changed religious beliefs and integrated some imported objects into everyday life missionaries integrated local elements into their daily lives Attempts to produce civilised Christian natives or to change some elements of native life relating purely to religion but not others resulted instead in a proliferation of hybrid forms This is visible in the continuity of a variety of traditional practices subsumed under the umbrella term kastom through to the present

alongside Christianity Melanesians didn't become Christian Christianity became Melanesian The material basis of religious change was integral to this process Student Study Guide to The Ancient Egyptian World Eric H. Cline, Jill

Rubalcaba, 2005-11 The Student Study Guide is an important and unique component that is available for each of the eight books in The World in Ancient Times series Each of the Student Study Guides is designed to be used with the student book at school or sent home for homework assignments The activities in the Student Study Guide will help students get the most out of their history books Each Student Study Guide includes chapter by chapter two page lessons that use a variety of interesting activities to help a student master history and develop important reading and study skills **Introduction to**
