### **Soul Caliber 3 Guide:**

The Video Games Guide Matt Fox, 2013-01-17 The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3, Xbox 360, Wii, and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels, and of course the author's views and insights into the game. In addition to the main entries and reviews, a full color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

**Level Up! The Guide to Great Video Game Design** Scott Rogers, 2014-04-16 Want to design your own video games? Let expert Scott Rogers show you how. If you want to design and build cutting edge video games but aren't sure where to start, then the SECOND EDITION of the acclaimed Level Up is for you. Written by leading video game expert Scott Rogers, who has designed the hits Pac Man, World Maximo, and SpongeBob Squarepants, this updated edition provides clear and well-thought-out examples that forgo theoretical gobbledegook with charmingly illustrated concepts and solutions based on years of professional experience. Level Up 2nd Edition has been NEWLY EXPANDED to teach you how to develop marketable ideas, learn what perils and pitfalls await during a game's pre-production, production, and post-production stages, and provide even more creative ideas to serve as fuel for your own projects, including: Developing your game design from the spark of inspiration all the way to production; Learning how to design the most exciting levels, the most precise controls, and the fiercest foes that will keep your players challenged; Creating games for mobile and console systems, including detailed rules for touch and motion controls; Monetizing your game from the design up; Writing effective and professional design documents with the help of brand new examples. Level Up 2nd Edition includes all new content, an introduction by David God of War, Jaffe, and even a brand new chili recipe, making it an even more indispensable guide for video game designers both in the field and the classroom. Grab your copy of Level Up 2nd Edition and let's make a game.
