Soul Surfer Johnny Bill Missett, 2010-07-13 The almost true story of how a bad boy discovers he's really a nice kid inside through surfing self discovery wild surfing adventures and meditation

Soul Surfer Johnny Rips Bill Missett, 2012-09-14 In Bill Missett's final chapter of Soul Surfer Johnnys adventures we are taken through the journeys of many thrill seeking travelers as Johnny and his wife Mia finally move to Puerto permanently and their adventure begins anew He and Mia meet countless soul surfers who add ingredients to the secret recipe that eventually becomes an award winning course of life to be enjoyed by the two true lovers As Johnny matures in his new home of Puerto Tranquilo he learns to digest and learn from the stories of those who have been through what he is currently experiencing Missett conveys all of the life lessons the couple soaks in during what can only be described as a rich life without riches They build a popular restaurant a beautiful home and more importantly a bucket list of friends and memories The surf remains an important part of their lives but in this final chapter Johnny and Mia drop into a veritable Mexican Pipeline barrel breathing in every detail Luckily a writer like Missett is able to bring us back through that barrel in magnificent detail We get to know so many characters from the previous chapters as well as new names Several members of the famous crowd of Puerto regulars get to add their input this time Their stories are told in first person adding a great feeling of unedited authenticity Several of the local famosos reappear and some of the Puerto Elders walk us through the life and times of the enigmatic surf town Missett writes in such a way that informs intrigues and entertains This is the most entertaining of his works and deserves a loud applause To be intrigued you must read the earlier Soul Surfer Johnny books To be truly informed everyone should read his earlier Awakening the Soul series A favorite author of all who read his works Missett put together a great collaboration of stories with Soul Surfer Johnny Rips However in all honesty we all hope that Johnny has another wave to catch through Bill Missett's eyes Thomas Wilson

Soul Surfer Johnny Returns Bill Missett, 2011-06-06 While writing Soul Surfer Johnny the first book in this series I was flooded with so many additional memories of Puerto Tranquilo that I knew a second book was waiting to be written By the time the first book was finished I had jotted down more than 125 other memorable episodes I was challenged to write the book that became Soul Surfer Johnny by Joel Fotinos vice president for spiritual books for Penguin Putnam publishers during a lunch we had in 2007 He

had just read my Awakening The Soul The Trilogy and challenged me to write a novel incorporating the essence of that tome ala the most successful novel of the millennium Dan Brown s The Da Vinci Code While Soul Surfer Johnny is certainly no Da Vinci Code it does carry forth that essence of spiritual growth describing a young man s soul awakening The heart of the story however remains his many wild surfing adventures most in Puerto But it wasn t planned that way A number of years ago I began compiling a list of topics for my Puerto book which I knew I would write some day But I had no plans of incorporating those memories into the book Fotinos challenged me to write revealing how to create the spiritual awakening possible within each of us However when I started writing it was immediately apparent where this story was going to Puerto where my personal spiritual awakening occurred some 25 years earlier Thus the first Soul Surfer Johnny book had a serious underlying story of spiritual awakening that seemed out of place in a surfing adventure novel But it really wasn t because what was being portrayed as happening to Johnny really had happened to me and has occurred to others so I knew it was eminently possible I had so much fun writing Soul Surfer Johnny that I immediately started writing this book its direct sequel but with a difference This volume does not have that heavy underlying story of spiritual growth but rather only occasional references to Johnny s continuing awakening It s mostly outrageous tales of his many Puerto adventures and episodes This book richly continues the adventures of Soul Surfer Johnny the story of an East Coast bad boy who becomes a good kid as he learns to surf in the waves off Southern California In the process he joins his own sort of gang then ventures south to the big waves of Southern Mexico He is guided to Puerto Tranquilo in the late 1970s by several of his fellow Tyrony Bros gang members who had discovered the fantastic surf break there several years before There he is witness to and participates in a bizarre series of adventures Unexpectedly he begins to explore his spirituality and discovers his true inner self for the first time dramatically improving his life Like its predecessor this continuing wild tale is almost true however sometimes the actual circumstances are slightly enhanced while conveying the basic truth For example a few wave heights may have been exaggerated occasionally except in the Big Wednesday chapter which is Johnny s true eye witness account But most of the book s stories actually happened as described It makes no claim toward being all inclusive or a legitimate history of the town It s just a lot of mostly true stories about a wonderful little town in Southern Mexico All stories are re told as accurately as memory serves

The Unequal Ocean Maximilian Viatori, 2023-04-11 Based on a decade of ethnographic and archival research in Peru this volume reveals how prevailing representations of the ocean obscure racialized disparities and the ways that different people experience the impacts of the climate crisis Tackling important subjects of global concern the author presents a complex image of Peru s global seascapes as historical spaces comprising precarious worlds that expose people nonhuman species and places to unequal levels of harm He traces how powerful actors in Peru represent the ocean in ways that erase the systemic inequalities histories of uneven development and extractive violence that have shaped ocean life These erasures underscore the need for alternative representations of the ocean that highlight the engagements and commitments that make oceanic ecologies possible as well as the material relationships and unequal positions of different people and species within them The author analyzes a multitude of timely topics including waves and coastal development the circulation of ocean waste El Ni o warming events and the extraction of jumbo squid This book also addresses expanding scholarly interest in the world s oceans as sites for thinking about social inequities environmental politics and multispecies relationships
