Race, Ethnicity, Gender, and Class Joseph F. Healey, Andi Stepnick, 2023-01-12 Known for its clear and engaging writing the bestselling *Race Ethnicity Gender and Class The Sociology of Group Conflict and Change* has been thoroughly updated to be fresher more relevant and more accessible to undergraduates The text uses sociological perspectives and a consistent conceptual framework to tell the story of America s minority groups today and throughout history By presenting information asking questions and examining controversies it demonstrates that understanding what it means to be an American has always required us to grapple with issues of diversity and difference This title is accompanied by a complete teaching and learning package

Being a Teacher in Post-Apartheid South Africa Yusuf Sayed, Marcina Singh, 2025-05-01 In a compelling exploration of the challenges faced by newly qualified teachers NQTs in South Africa s evolving educational landscape this book provides an empirically grounded account of their experiences Drawing on extensive research it offers a poignant narrative that seeks to illuminate the nuanced journey these educators embark upon as they transition from teacher education spaces to the complex reality of classrooms in post Apartheid South Africa The book acts as a crucial platform for the voices of NQTs shedding light on the myriad enablers and disablers they encounter during this transformative period Timely and relevant it tackles pressing questions about the readiness of teacher education to prepare students for the demands of South African schools The book charts the transition from teacher education to active teacher for NQTs The lessons distilled from this research present a clarion call for a re assessment of teacher education policies and practices This book arrives at a pivotal moment as South Africa reviews its teacher education policies With the quality of initial teacher education programmes under scrutiny the book s critiques findings and recommendations serve as indispensable tools for policymakers arguing for the need to reconceptualise South African teacher education policies As South Africa strives to avoid a cycle of developing new teachers only to lose them due to inadequate support this book seeks to support educators policymakers and all those invested in the future of South African education toward creating a more socially just education system recognising the highly unequal society in which teachers work

Large-class Pedagogy David J. Hornsby, Ruksana Osman, Jacqueline De Matos-Ala, 2013-08-01 I highly recommend this edited collection It is a timely intervention when universities around the world are facing changes akin to the newspaper industry a decade ago The authors remind us of the potential power of the lecture and that there does not need to be a trade off between the size of the class and the quality of the delivery Professor James Arvanitakis 2012 recipient of the Prime Minister s Teaching and Learning Award University of Western Sydney Australia This is the first book of its kind that considers the complex issues of large classes As such it makes a very important contribution and provides a deep insight into large class pedagogy from a conceptual and practical perspective Dr Mandia Menits Massey University New Zealand If the thought of teaching large

classes fills you with dread if you think that pedagogic innovation is impossible in the face of burgeoning student numbers or if you simply wish to understand more about the dynamics of this increasingly common environment in Higher Education then this is the book for you Written by highly experienced academics it is a valuable and long overdue resource for supporting good practice in the large class context Dr Jenny Hadingham University of Rochester New York
