Rough Guides Snapshot Victoria Falls is equivalent to 24 printed pages. **Take The Gap - A South African handbook for two years in London** Nicole Canning,2012-10-02 As an unemployed poverty stricken South African in London, Nicole began to pen her thoughts on her two year experience into her diary. These rambles were to become a weekly column in the South African expat newspaper in London after a chance meeting with the editor Greg. Greg's job exposed him to lots of useful information such as how to get a fake visa and where to buy blackmarket boerewors. It seemed a shame to confine these insights to history's slosh bucket so once back home the two met up again. It was common sense to combine their experiences, put them all on paper and merge their knowledge into Take the Gap, a use it or lose it book packed full of advice for those adventurous souls who are considering a stint in London. Or for those who have been and seen and want to reminisce a first class ticket back to the Big Smoke that you grew to love like a pounding headache after a night down at the pub. This book is not a guide; guides are boring and go out of date. Anxious parents should not read this book. **The Rough Guide to West Africa** Rough Guides,2008-06-02 The Rough Guide to West Africa in epub format is the most comprehensive and user friendly guide to one of the world's hardest and most rewarding regions for travel, covering the 15 visitable countries from Mauritania to Cameroon in fifty percent more detail than its only competitor. Each chapter of the Rough Guide includes thoroughly researched hotel and restaurant listings, sections on everything from food and language to media and sport, and thoughtful background on the environment, culture, history, politics, and music. The introduction highlights the region's attractions and touches on its great range of cultural and scenic impressions. Sections on Arts and Crafts and Fruit and Food Plants offer fascinating information and useful advice. More than 160 accessible and accurate maps guide you from the urban jungle to beaches and mountains. And an extensive index references every place mentioned in the guide.
