Military Assistance on Request and the Use of Force Erika De Wet, 2020-03-26 In countries such as Syria Iraq South Sudan and Yemen internationally recognized governments embroiled in protracted armed conflicts and with very little control over their territory have requested direct military assistance from other states These requests are often accepted by the other states despite the circumvention of the United Nations Security Council and extensive violation of international humanitarian law and human rights In this book Erika De Wet examines the authority entitled to extend a request for or consent to direct military assistance as well as the type of situations during which such assistance may be requested notably whether it may be requested during a civil war Ultimately De Wet addresses the question of if and to what extent the proliferation of military assistance on the request of a recognized government is changing the rules in international law applying to the use of force

The Unintended Consequences of Peace Arie Marcelo Kacowicz, Exequiel Lacovsky, Keren Sasson, Daniel F. Wajner, 2021-07-01 Scholars of international relations generally consider that under conditions of violent conflict and war smuggling and trans border crime are likely to thrive In contrast this book argues that in fact it is globalisation and peaceful borders that have enabled transnational illicit flows conducted by violent non state actors including transnational criminal organizations drug trafficking organizations and terrorist cells who exploit the looseness and demilitarization of borderlands Empirically the book draws on case studies from the Americas compared with other regions of the world experiencing similar phenomena including the European Union and Southeast Europe the Western Balkans Southern Africa and Southeast Asia To explain the phenomenon in itself the authors examine the type of peaceful borders and regimes involved in each case how strong each country is in the governance of their borderlands their political willingness to control their peaceful borders and the prevailing socio economic conditions across

the borderlands A Primer for Teaching Indian Ocean World History Edward A. Alpers, Thomas F. McDow, 2024-04-05 A Primer for Teaching Indian Ocean World History is a guide for college and high school teachers who are teaching Indian Ocean histories for the first time or for experienced teachers who want to reinvigorate their courses **Encyclopedia of Christianity in the Global South** Mark A. Lamport, 2018-06-01 Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world s Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide *Political Handbook of the World 2018-2019* Tom Lansford, 2019-03-19 The Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide The updated 2018 2019 edition will continue to be the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup Compiling in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including Elections across Europe Referendum in Ireland Rohingya genocide in Myanmar The Venezuelan dictatorship The renaming of Swaziland to eSwatini Qatar diplomacy changes Historic meeting between the United States and North Korea Establishment of a new governing coalition in Liberia Elgar Concise Encyclopedia of Law and Literature Robert Spoo, Simon Stern, 2025-01-09 The Elgar Concise Encyclopedia of Law and Literature surveys the intersection between two important fields of study Interdisciplinary in scope the volume showcases the many ways in which literary and legal methods and insights both converge and remain distinct *Anarchism* Benjamin Franks, Nathan Jun, Leonard Williams, 2018-03-14 Anarchism is by far the least broadly understood ideology and the least studied academically Though highly influential both historically and in terms of recent social movements anarchism is regularly dismissed Anarchism A Conceptual Approach is a welcome addition to this growing field which is widely debated but poorly understood Occupying a distinctive position in the study of anarchist ideology this volume authored by a handpicked group of established and rising scholars investigates how anarchists often seek to sharpen their message and

struggle to determine what ideas and actions are central to their identity Moving beyond defining anarchism as simply an ideology or political theory this book examines the meanings of its key concepts which have been divided into three categories Core Adjacent and Peripheral concepts Each chapter focuses on one important concept shows how anarchists have understood the concept and highlights its relationships to other concepts Although anarchism is often thought of as a political topic the interdisciplinary nature of Anarchism A Conceptual Approach makes it of interest to students and scholars across the social sciences liberal arts and the humanities

Network Governance of the UN Human Rights Council Anatoly Boyashov,2022-07-01 This book explores how the structures of international organizations have become increasingly complex and considers why states choose to become part of networks of international organizations alongside non state actors While granting participation rights to non state actors states have been actively involved in establishing complex ties with them International organizations in their turn have enhanced the sustainment of complex networks The author argues that the involvement in networks of international organizations provides better capacities in communication Thus being a governmental or non governmental entity an actor tends to occupy the beneficial structural positions of a leader connecting to as many actors as possible or a broker bridging isolated subgroups within a network Through a study of the UN Human Rights Council HRC and the respective diplomatic institutional and organizational networks that participate in it he explores the most visible stakeholders the institutional setting of the HRC and the multilateral negotiations on the prevention of human rights violations in 2010 2019 The volume will appeal to scholars students and practitioners interested in the international organisations networks foreign policy the United Nations and the Human Rights Council

China's Vertical Multilateralism and the Global South Dominik Mierzejewski,Jarosław Jura,Bartosz Kowalski,Mario Esteban,2025-10-21 This book provides an in depth analysis of China led multilateralism and decodes China s narratives and political and business practices both from theoretical and practical dimensions Introducing the mechanisms that govern China led multilateral formats in what China sees as the Global South the study offers a comparative analysis and checks whether China uses a one size fits all strategy towards the selected case study formats and adopts a more differentiated regional approach The case studies cover the following China led multilateral formats China ASEAN Forum on China Africa Cooperation FOCAC China Central and Eastern Europe and China CELAC The authors introduce four primary practices of China s management of relations within these platforms executing discursive power cultivating elite diplomacy influencing public opinion and navigating economic interactions to illustrate the bilateral and informal nature of China led multilateralism practices They argue that the bilateral approach is driven by China s will to keep its paramount position within the formats and its pursuit to exploit the divisions among countries in these formats Moreover China s relations with the Global South community are governed by informal networks that give the impression of non

interference and position China as the principal power due to these relationships inherent asymmetry Cognizant of bilateral and informal drivers of China's multilateral practices the book compares China's relations with selected case studies of countries under the multilateral umbrella Brazil Cambodia Chile Kenya Poland Serbia South Africa and Thailand It considers the growing tensions between China and the West surrounding the crisis of the COVID 19 pandemic the centralisation of power in China and the Russian war in Ukraine Shedding light on China's policies and practices on bilateral and multilateral levels this book will be of interest to researchers studying International Relations Asian Politics the politics of the Global South and Chinese Studies

governmental and political makeup **Global Challenges in Maritime Security** Lisa Otto, 2020-04-21 From pirates to smugglers migrants to hackers from stolen fish to smuggled drugs the sea is becoming a place of increasing importance on the global agenda as criminals use it as a theatre to conduct their crimes unfettered This volume sets out to provide an introduction to the key issues of pertinence in Maritime Security today It demonstrates why the sea is a space of great strategic importance and how threats to security at sea have a real impact for people around the world It examines an array of challenges and threats to security playing out at sea including illegal unreported and unregulated fishing irregular migration piracy smuggling of illicit goods and cyber security while also looking at some of the mechanism and role players involved in addressing these perils Each chapter provides an overview of the issue it discusses and provides a brief case study to illustrate how this issue is playing out in real life This book thus allows readers an insight into this evolving multidisciplinary field of study As such it makes for an informative read for academics and practitioners alike as well as policymakers and students offering a well rounded introduction of the main issues in current Maritime Security **Civil Society and Transitional Justice in Asia and the Pacific** Claire Cronin, Lia Kent, JoAnne Wallis, 2019-01-01 Over the last two decades civil society has helped catalyse responses to the legacies of violent conflicts and oppressive political regimes in Asia and the Pacific Civil society has advocated for the establishment of criminal trials and truth commissions monitored their operations and pushed for take up of their recommendations It has also initiated community based transitional justice responses Yet there has been little in depth examination of the breadth and diversity of these roles This book addresses this gap by analysing the heterogeneity of civil society transitional justice activity in Asia and the Pacific Based upon empirically grounded case studies of Timor Leste Indonesia Cambodia Myanmar Bougainville Solomon Islands and Fiji this book illustrates that civil society actors can have different and sometimes competing priorities resources and approaches to transitional justice Their work is also underpinned by diverse understandings of justice By reflecting on the richness of this activity this book advances contemporary debates about transitional justice and civil society It will also be a valuable resource for scholars and practitioners working on Asia and the Pacific **'Africa Forms the Key'** Suryakanthie Chetty, 2021-01-04 This book examines the work of prominent South African geologist Alex Du Toit as a means of understanding the debate around continental drift both in segregation era South Africa and internationally It contextualises Du Toit s work within a particularly formative period of South African science from the paleoanthropological discoveries that sparked debates about the origins of humankind to Jan Smuts own theory of holism Beyond South African scientific discoveries the book sets Du Toit s work against a backdrop of ideological struggles over space both domestically in terms of segregation and nationalism as well as internationally as South Africa sought to assert its position within the Commonwealth These debates were embodied by Du Toit s work on the theory of continental drift which put Africa and South Africa at the centre geologically and geographically The author also focuses on the divisions in geology caused by drift theory tracing the

vigorous intellectual debate and dissent indicative of the ideological milieu within which scientific thought is constructed It traces the history of continental drift from its inception in the nineteenth century and later work of Alfred Wegener which was both elaborated upon and substantiated by Du Toit The study further focuses on Du Toit s research on continental drift in South African and South America and the geological fossil and climatological evidence used to bolster this theory

An Intellectual Biography of Africa Francis Kwarteng, 2022-07-13 Africa is the birthplace of humanity and civilization And yet people generally don t want to accept the scientific impression of Africa as the birthplace of human civilization The skeptics include Africans themselves a direct result of the colonial educational systems still in place across Africa and even those Africans who acquire Western education particularly in the humanities have been trapped in the symptomatology of epistemic peonage These colonial educational systems have overstayed their welcome and should be dismantled This is where African agency comes in Agential autonomy deserves an authoritative voice in shaping the curricular direction of Africa Agential autonomy implicitly sanctions an Afrocentric approach to curriculum development pedagogy historiography literary theory indigenous language development and knowledge construction Science technology engineering mathematics information and communications technology STEM ICT and research and development R D both exercise foundational leverage in the scientific and cultural discourse of the kind of African Renaissance Cheikh Anta Diop envisaged Mr Francis Kwarteng has written a book that looks at some of the major distortions of African history and Africa s major contributions to human civilization In this context Mr Kwarteng joins a long list of thinkers who roundly reject the foundational Eurocentric epistemology of Africa in favor of an Afrocentric paradigm of Africa s material spiritual scientific and epistemic assertion Mr Kwarteng places S T E M and a revision of the humanities at the center of the African Renaissance and critiques Eurocentric fantasies about Africa and its Diaspora following the critical examples of Cheikh Anta Diop Ama Mazama Molefi Kete Asante Abdul Karim Bangura Theophile Obenga Maulana Karenga Mubabingo Bilolo Kwame Nkrumah Ivan Van Sertima W E B Du Bois and several others Readers of this book will be challenged to look at Africa through a critical lens Ama Mazama editor author of Africa in the 21st Century Toward a New Future There are countless books about the evolution of European intellectual thought but scarcely any that captures the pioneering contributions of Africans since the beginning of recorded knowledge in Kemet a k a Ancient Egypt Well that long drought has ended with the publication of Kwarteng s An Intellectual Biography of Africa A Philosophical Anatomy of Advancing Africa the Diopian Way Prepare to be educated Milton Allimadi author of Manufacturing Hate How Africa Was Demonized in the Media
