

# South Australian Spelling Test

The South Australian Spelling Test is a standardised test of spelling achievement for students in the age range 6 years to 15 years. It will enable teachers to determine the spelling ability of each student and provide data that can be used for lesson design, group allocation, and reporting.

## Instructions:

1. Students should be seated in a position where copying from others is not possible.
2. Each student requires a sheet of paper and pencil.
3. Students should number each item before writing the response.
4. Students should be encouraged to attempt as many items as possible; but with young children, or students with learning difficulties, do not prolong the test unnecessarily.
5. It is usual to stop testing after a student has failed ten consecutive items.
6. When marking do not give credit for any words beyond the tenth consecutive error.
7. When marking do not penalise for reversals of 'b' and 'd'.
8. The method of administration is to say the number of the item, then say the word clearly. Embed the word in a sentence. Then repeat the word, saying for example: 'Number 6: *lost*. I *lost* my key. Write *lost*.'
9. If any of the sentences suggested here appear inappropriate for the age or ability level being tested they can be changed by the tester provided that the sense of the word is retained.
