Defence and Decolonisation in South-East Asia Karl Hack,2013-12-16 This book explains why British defence policy and practice emerged as it did in the period 1941-67 by looking at the overlapping of colonial military economic and Cold War factors in the area Its main focus is on the 1950s and the decolonisation era but it argues that the plans and conditions of this period can only be understood by tracing them back to their origins in the fall of Singapore Also it shows how decolonisation was shaped not just by British aims but by the way communism communalism and nationalism facilitated and frustrated these English Teaching in South-east Asia Kenneth Robinson,1960 **Resources in Education** ,2000

Greenstreet and Back Francis Abel, 2017-02-20 *Greenstreet and Back* is an amazing humorous autobiography that follows a journey from a near death experience to an incredible passage of self acceptance and realisation The true story of painful rehabilitation dips into the black humour of facing your own mortality and the acceptance that the life once known was now a thing of the past The book is a chronicle of courage and fortitude that shows with determination any obstacle can be overcome Francis begins a pilgrimage to learn about his new life that eventually takes him to the other side of the world to exotic South East Asia His hilarious encounters along the way happen mostly by chance and very unexpectedly From a near molestation by a dancing Ladyboy in Northern Thailand to a run in with gun toting bandits in Cambodia the quest gets ever more bizarre and farcical Eventually Francis experiences an epiphany but fate has one more harsh and cruel card to play towards the end of his odyssey
