The Nectar Of Friendship:

The Nature of Friendship Maryjo Koch, 2009-03-17 Nature and friendship are alive in Maryjo Koch's book *The Nature of Friendship*. Sure to be a classic, this elegant and beautifully illustrated gift book soars with its natural subjects. Borrowing from her archives, Koch presents nature watercolors that showcase birds, insects, plant life, and water creatures and celebrate the universal joy of relating to a true friend. Bright colors, natural settings, and nature's little friends convey sentiments simply stated yet carefully observed, creating the perfect collection to share with a special friend. Koch has mastered watercolor painting and expressing the meaning of friendship.

Plants Make Friends Too Sukanya Dutta, 2015-06-22 Trees have a subtle language to which animals have been responding over millennia. A communication system that the plants use to compete and even wage ruthless wars. This book is an attempt to decode this warm but chillingly efficient system.

Spiritual Friends Thubten Dondrub, 2017-06-06 A collection of the favorite guided meditations of senior monks and nuns of the International Mahayana Institute of the FPMT. A collection of the favorite guided meditations of senior monks and nuns of the International Mahayana Institute of the FPMT. These meditations center on different Buddhist themes and provide a good resource for the practicing meditator. The book also includes brief spiritual autobiographies that allow the reader to trace each contributor's entry into and study of Tibetan Buddhism. Our true spiritual friends are the positive potentials in our minds which will never never disappoint us and never desert us. Similarly, the generous and personal meditations offered in this book help us develop these potentials and thus are true friends to whom we can always turn. Likewise, the Sangha, as the ordained followers of the Buddha upon whom the continuity of the Buddha's teachings depend, are spiritual friends who encourage us and inspire us to transform our minds. This unique book, the first from the International Mahayana Institute, contains meditations written by eighteen nuns and monks of the IMI Sangha, as well as an autobiographical essay from each in which these nuns and monks share how they came to the ordained life.

The Best Friend in My Life Reader John, 2016-06-30 John Young has just died without a shave. As he watches his family, a police sergeant, and the constable crowd around his lifeless body on his kitchen floor, John curiously observes all the action, unable to communicate. Moments later, his body is placed in the undertaker's hearse where he has nothing to do but wonder if he will see his beautiful Burmese Mandalay Panther, who has already passed to the other side. After John realizes he can communicate with other corpses and angels, he begins a journey to enter a new stage of life. When it is decided he is not good enough for heaven, John is renamed Adam the Lonely and released to a wilderness park where he and his beloved cat Panther can spend eternity together. As he and Panther embark on a quest to find and adopt misplaced animals, they transform into a close-knit family who encourages each other to develop into better souls. *The Best Friend in My Life* is the
