of Religion in Catholic Theology R. Jared Staudt, 2022-02-08 To contemporary minds the notion of justice toward God is
 seldom considered and often foreign Far more discussed is how God might either undermine or motivate social justice The
 Primacy of God by R Jared Staudt offers an important intervention With the aid of St Thomas Aquinas Staudt argues that it is
 vital for both contemporary society and contemporary Catholic theology to return to the traditional view of God as the one to
 whom all human and social action must be ordered and to recover the virtue of religion as the virtue which orders all other
 virtues to God Not only does Staudt helpfully remind readers of the ancient philosophical and biblical notion of worship as a
 dictate of the natural law he also illuminates the way in which Christian liturgy as an enactment of Christ s high priesthood is
 the great fulfillment of natural and biblical worship Accordingly Staudt secures religion as essential for the virtue of love This
 brings Staudt to criticize modern theologians like Karl Barth who claimed that religion is inherently idolatrous as well as Karl
 Rahner who claimed that love of neighbor is the highest moral act Staudt also considers the question of religious truth in

light of the plurality of religions soliciting the assistance of Hans Urs von Balthasar and Joseph Ratzinger as well as the way in which religion relates to the development of culture engaging the great Catholic social historian Christopher Dawson The Primacy of God is a much needed work that ought to set the agenda for Catholic theology in the twenty first century

People's Mass Book ,1964 **Anthology of the Biblical Revolution Evolution Series** Michael Stansfield,2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church's theological cornerstones to prove

that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again
