World Art Ben Burt, 2020-07-12 What do we mean by art As a category of objects the concept belongs to a Western cultural tradition originally European and now increasingly global but how useful is it for understanding other traditions To understand art as a universal human value we need to look at how the concept was constructed in order to reconstruct it through an understanding of the wider world

Western art values have a pervasive influence upon non Western cultures and upon Western attitudes to them This innovative yet accessible new text explores the ways theories of art developed as Western knowledge of the world expanded through exploration and trade conquest colonisation and research into other cultures present and past It considers the issues arising from the historical relationships which brought diverse artistic traditions together under the influence of Western art values looking at how art has been used by colonisers and colonised in the causes of collecting and commerce cultural hegemony and autonomous identities World Art questions conventional Western assumptions of art from an anthropological perspective which allows comparison between cultures It treats art as a property of artefacts rather than a category of objects reclaiming the idea of world art from the art world This book is essential reading for all students on anthropology of art courses as well as students of museum studies and art history based on a wide range of case studies and supported by learning features such as annotated further reading and chapter opening summaries The World's Work ,1924 **The Book of Washington** ,1927 **The Annual Register of World Events** Edmund Burke,1926 *Art and Handicraft in the Woman's Building of the World's Columbian Exposition, Chicago, 1893* Maud Howe Elliott,1893 *The Complete Sermons of C. H. Spurgeon, Book 1 (Vol. 1-3)* C. H. Spurgeon,2015-03-22 The story of Charles Haddon Spurgeon s life is nothing less than titanic Within 2 years and 6 months of accepting the pastorate of the New Park Street Chapel as a boy of 19 the Sunday service grew from 242 to over 7 000 in attendance What can account for the meteoric rise in popularity Why did so many wish to hear his sermons It is the same reason why one ought to study the sermons of Spurgeon to this day in a famished land of moralism he preached the bread of Jesus Christ Containing the first three volumes of the sixty three volumes published from the Metropolitan Tabernacle pulpit this book holds 164 sermons as plump as a partridge and as full of meat as an egg David A Attebury is currently pursuing a Masters of Divinity from The Southern Baptist Theological Seminary in Louisville Kentucky **Information Sources in Art, Art History and Design** Simon Ford,2015-05-19 No detailed description available for Information Sources in Art Art History and Design
