World Aflame Sunday School Lessons:

A Skeptic's Guide to Arts in the Church Mark Coppenger, 2018-09-19 Evangelical discourse on the role of arts in the church can be radioactive and the twenty one contributors to this book walk right into the hot zone to pick up on twenty contentious questions The volume is a series of written dialogues each one keyed to a cranky question one that a skeptic might raise hence the title Herein the gainsayers are taken seriously and given their voice They even find support in some of the contributors comments But apologists for greater use of arts and artists in the church have their say and things can get edgy Topics range from the biblically august the Second Commandment the regulative principle Great Commission priorities to the prudential expense bohemian influence weaker brothers to the programmatic Christmas festivities committee makeup Some of the parties to the discussion are church staffers pastors and ministers of music some are professors several are doctoral students one is a college student another a gallery owner yet another a denominational ethicist and there s a Canadian and a Korean in the mix The collection of speakers and opinions is illuminating and bracing and the fruit of their thinking makes for great reading and discussion

Treasures from an Old Book Lorin Bradbury Ph.D., 2025-05-21 This book is unique in that it is not another commentary on the book of Proverbs it is a practical application of each proverb written by Solomon and included in chapters 10 and 11 of the book of Proverbs These lessons were originally taught to the Bethel United Pentecostal Church in Bethel Alaska on Wednesday evenings between 2003 and 2008 In current form these lessons are excellent devotionals easily read in one setting Ever since I got my hands on a copy of *Treasures from an Old Book* Ancient Wisdom for a Modern World Volume 1 I ve been eagerly looking forward to receiving Volume 2 Once again Dr Lorin Bradbury provides valuable insights through these lessons that are beneficial to both teachers and students I highly recommend this excellent resource on the book of Proverbs

C Anthony Ballester Pastor New Destiny Worship Center Clearwater Florida *Treasures from an Old Book* Volume 2 The author draws from the rich treasure trove of Scripture and offers timeless wisdom from the book of Proverbs expertly unpacked to provide practical insights for everyday life

Justin Henry Evangelist Youth Pastor Odessa Texas *Treasures from an Old Book* Volume 2 Each lesson is a Gold Mine of knowledge I count it a high privilege to comment on Dr Lorin Bradbury s book presentation I want to express that only a consecrated life of Holiness like Dr Bradbury s reflects lessons that keep us mindful of the light that the Word of God produces for our families Solomon asked for divine wisdom and God allowed him to express God s wisdom for our lives Dr Bradbury is another conduit of God s wisdom for us today I have no doubt the Lord inspired this book Read this book and be blessed

Hart,2010-02-23 Larry Hart s Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology *Tarbell's Teacher's Guide to the International Sunday-school Lessons for 1912, 1914* Martha Tarbell,1913 *Select Notes on the International Sunday School Lessons* ,1919 **Teachers' Guide to International Sunday School Lessons for [Jan.-Dec.] 1913** Martha Tarbell,1912 **Paperbound Books in Print 1995** Reed Reference Publishing,Reference Reed,1995-12 **Sermons on the International Sunday-school Lessons for ...
