Document 6

Source: He Qianqian, Ming dynasty court official, report to the emperor on the possibility of repealing the 1600 ban on foreign trade, 1600.

The Spanish have silver mountains, which they mine into silver coins. When Chinese merchants trade in Southeast Asia and the Indian Ocean, they trade the goods we produce for the goods of others. But when they go to Luzon (Philippines) they only return with silver coins. Chinese silk yarn worth 100 bars of silver can be sold in the Philippines at a price of 200 to 300 bars of silver there. Moreover, porcelains from the official pottery works as well as sugar and fruit from my native province, are currently desired by the foreigners.
