Inquiry-Based Lessons in World History Jana Kirchner, Andrew McMichael, 2021-09-03
Spanning the time period from 750 CE to the present day, Inquiry Based Lessons in World History Vol 2 focuses on creating global connections between people and places using primary sources in standards-based lessons. With sections on the world in transition, the era of revolutions, imperialism, and global war, and the modern world, this book provides teachers with inquiry-based, ready-to-use lessons that can be adapted to any classroom and that encourage students to take part in the learning process by reading and thinking like historians. Each section contains chapters that correspond to the scope and sequence of most world history textbooks. Each inquiry lesson begins with an essential question and connections to content and literacy standards, followed by primary source excerpts or links to those sources. Lessons include step-by-step directions, incorporate a variety of literacy strategies, and require students to make a hypothesis using evidence from the texts they have read. Grades 7-10.
