All economic activity is tightly controlled by government.

The similarities in the two methods of governing are many. The differences are few and superficial. In *Fascism*, property is privately owned, but it is under the absolute control of the federal government that confiscates profits through high taxes. In *Communism*, there is no private ownership. In particular, the means of production and distribution are owned by the state, "in the name of the people." The *Communist Manifesto* defines clearly the objectives and strategy of progressive Marxists to destroy capitalism.

For centuries, the czars (hereditary rulers of Russia) held the Russian population in a reign of cruel tyranny with growing resentment and discontent. Finally, during World
