CAUTION

Indicates a potential hazard that could result in vehicle damage.

NOTE

Indicates special information to make maintenance easier or instructions clearer.

WARNING

This service manual is intended for authorized Suzuki dealers and qualified service technicians only. Inexperienced technicians or technicians without the proper tools and equipment may not be able to properly perform the services described in this manual.

Improper repair may result in injury to the technician and may render the vehicle unsafe for the driver and passengers.

WARNING

For vehicles equipped with a Supplemental Restraint (Air Bag) System:

- Service on and around the air bag system components or wiring must be performed only by an authorized SUZUKI dealer. Refer to "Air Bag System Components and Wiring Location View" under "General Description" in air bag system section in order to confirm whether you are performing service on or near the air bag system components or wiring. Please observe all **WARNINGS** and "Service Precautions" under "On-Vehicle Service" in air bag system section before performing service on or around the air bag system components or wiring. Failure to follow **WARNINGS** could result in unintentional activation of the system or could render the system inoperative. Either of these two conditions may result in severe injury.
- If the air bag system and another vehicle system both need repair, Suzuki recommends that the air bag system be repaired first, to help avoid unintended air bag system activation.
- Do not modify the steering wheel, instrument panel or any other air bag system component on or around air bag system components or wiring. Modifications can adversely affect air bag system performance and lead to injury.
- If the vehicle will be exposed to temperatures over 53 °C (128 °F), for example, during a paint baking process, remove the air bag system components, that is air bag (inflator) modules, SRS and/or seat belt with pretensioners, beforehand to avoid component damage or unintended activation.

Imperial-Way Zen Christopher Ives, 2009-07-08 During the first half of the twentieth century Zen Buddhist leaders contributed actively to Japanese imperialism giving rise to what has been termed Imperial Way Zen Kodo Zen Its foremost critic was priest professor and activist Ichikawa Hakugen 1902 1986 who spent the decades following Japan's surrender almost single handedly chronicling Zen's support of Japan's imperialist regime and pressing the issue of Buddhist war responsibility Ichikawa focused his critique on the Zen approach to religious liberation the political ramifications of Buddhist metaphysical constructs the traditional collaboration between Buddhism and governments in East Asia the philosophical system of Nishida Kitaro 1876 1945 and the vestiges of State Shinto in postwar Japan Despite the importance of Ichikawa's writings this volume is the first by any scholar to outline his critique In addition to detailing the actions and ideology of Imperial Way Zen and Ichikawa's ripostes to them Christopher Ives offers his own reflections on Buddhist ethics in light of the phenomenon He devotes chapters to outlining Buddhist nationalism from the 1868 Meiji Restoration to 1945 and summarizing Ichikawa's arguments about the causes of Imperial Way Zen After assessing Brian Victoria's claim that Imperial Way Zen was caused by the traditional connection between Zen and the samurai Ives presents his own argument that Imperial Way Zen can best be understood as a modern instance of Buddhism's traditional role as protector of the realm Turning to postwar Japan Ives

examines the extent to which Zen leaders have reflected on their wartime political stances and started to construct a critical Zen social ethic Finally he considers the resources Zen might offer its contemporary leaders as they pursue what they themselves have identified as a pressing task ensuring that henceforth Zen will avoid becoming embroiled in international adventurism and instead dedicate itself to the promotion of peace and human rights Lucid and balanced in its methodology and well grounded in textual analysis Imperial Way Zen will attract scholars students and others interested in Buddhism ethics Zen practice and the cooptation of religion in the service of violence and imperialism
