This is a detailed schematic diagram of a vehicle's electrical system. It shows the battery, alternator, and various components like the ignition, lights, and horn connected by a network of wires. The diagram is oriented horizontally, with the battery and alternator on the left and the various components on the right. The wiring is complex, with many lines connecting different parts of the system. The diagram is labeled with various components and their connections, providing a comprehensive overview of the vehicle's electrical architecture.
