Transforming Entrepreneurship Education Jantje Halberstadt, Antonieta Alcorta de Bronstein, Jean Greyling, Shaun Bissett, 2022-12-14. This open access book provides selected teaching approaches supporting methods, concrete examples of curricula as well as extracurricular teaching formats which are predominantly tailored to both African and German requirements. These approaches were developed by the YEEES Training and Research Centers, an international interdisciplinary network of university teachers and researchers from Germany and southern Africa, and combine the fields of management, entrepreneurship, information and communication technologies, ICT and sustainability. The book shows how current scientific results can be integrated into teaching, how students can contribute to research while learning, and how research can contribute to the development and evaluation of new formats. It is thus relevant for university teachers, researchers, students as well as practitioners who want to educate and act as future change agents.

Getting Hooked on Memoirs Dr. H. Kenneth Shook, 2011-07-12. Your story of Robert Frost's visit to the Wesleyan campus in 1953 is heartwarming and memorable and it must become part of the Wesleyan Archives. Suzy Taraba, Wesleyan University Archivist. Love your songs but it was the memoir of your 1992 Rotary visit to New Zealand that I enjoyed the most. Glenn Estess Sr, Past Rotary International President. *Getting Hooked on Memoirs* presents both a guide and a collection of memoirs designed to provide examples of this personal type of writing. In this helpful handbook, Dr. H. Kenneth Shook offers practical advice to aid in writing effective personal memoirs. Dr. Shook draws on his experiences in conducting sessions on writing and sharing memoirs to share his knowledge and provide answers to these vital questions: What is a memoir? Is there a desired length for a memoir? Could the author of the memoir be sharing the experiences of others rather than his own experiences? How does a memoir differ from a research paper or a complete life history? Can memoirs include events of recent weeks or months rather than focusing solely on events of the distant past? This practical guide will inspire everyone who reads it to delve into their own life experiences to share their story or experience in their very own memoir.
