This book is broken down in two parts: photography and biology. I am a firm believer the more you know about your subject the easier it will become to be at the right place at the right time. Behind The Riser: Over 30 years of Bowhunting and Archery Stories Eric Grippa, 2025-04-10. One universal truth I have learned over the years is that we archers and bowhunters love a good story. I am no different. Behind The Riser is a book of stories that I have accumulated over thirty years of bowhunting and competitive archery. I start with what first sparked my interest in archery and how at an early age my father got me into hunting, to transitioning into a bowhunter as well as how I became a competitive archer. These stories not only include the hunts that ended with me putting my hands on multiple Pope and Young bucks but also hunts that didn't end so well. There are stories about hunting deer, turkeys and few other critters. I also relive encounters with wildlife that only bowhunters would experience. The book concludes with stories about my accomplishments as a competitive archer at indoor spots as well as on the 3D courses including how I ended up with a belt buckle inscribed with the words World Champion. *Lippincott's Magazine*, 1884.
