Schafer, 2002-11-01 Through many decades Lake Martin a symbol of sustenance has enticed generations of residents vacationers and modern retirees to its welcoming shores This picturesque lake shaped like a dragon protecting its territory has witnessed droughts tornadoes fishing tournaments boat races and even World War II aircraft crashes Surrounded by its own unique history Lake Martin also reflects the dynamic personalities of those who sacrificed childhood homes and family land to bring dreams of a prosperous future to fruition Before the Tallapoosa River was dammed to feed Lake Martin s waters it was an ideal environment for the Native Americans who resided on land now submerged The land s history is rife with discord as British soldiers and Georgia Rangers resisted French spies in the early 1700s and migrant settlers defended their homefront during the Civil War The Martin Dam became a state landmark by 1927 generating hydroelectric power while memorializing the 31 mile long lake as the world s largest man made body of water at the time It was not long before Lake Martin evolved into a community enjoying unparalleled growth as a vacation site and permanent home for Americans who discovered the satisfaction lakeside living could provide Lake Martin Alabama s Crown Jewel chronicles the trials and triumphs of the people who created one of today s leading retirement communities through courageous choices and determination The story is told through compelling narrative and evocative images many of which have not been widely published **Automobile Trade Journal** ,1917 *Motor Age* ,1912 *Air Conditioning & Heating Service & Repair, Domestic Cars, Trucks & Vans* Mitchell Information Services, Mitchell Manuals, inc, 1982 Motor Air Conditioner & Heater Manual ,1988-01-01 **The Colbert Steam Plant** ,1963 The Colbert Steam Plant is located on the south bank of Pickwick Landing Lake at mile 245 Tennessee River mileage upstream from the confluence with the Ohio River and 14 5 miles downstream or west of the Wilson Dam
