Hardcore is Pulp's cry for help. A giant sprawling flawed masterpiece of a record the 1998 album manages to tackle some of the most inappropriate grown up issues of the day fame ageing mortality drugs and pornography and still come out crying and laughing on the other side. The subject of pornography dominates the record from its controversial artwork to the images conjured up by songs like Seductive Barry and the title track after Pulp's main man Jarvis Cocker who'd spent most of his teenage and adult life chasing celebrity only to be cruelly disappointed when it finally arrived in spades hit upon the grand notion of using pornography as a metaphor for fame. The album's commercial failure as a follow up to the band's Britpop defining *Different Class* also symbolizes a death knell for Britpop itself. Dark right Except just like Pulp themselves Jane Savidge's book is playful and sometimes very funny indeed. Kicking off with an imaginary conversation between Jarvis Cocker and the people who run the Total Fame Solutions helpline Savidge expertly guides us through the trials and tribulations of an album that begins with the so called Michael Jackson Incident when Cocker got up on stage at the 1996 Brit Awards and waggled his fully clothed bum at the King of Pop. Pulp's *This Is Hardcore* may be a sleazy run through porn and mental demise and an album that chronicles Cocker's continuing disillusionment with his newfound lot in life but Savidge's book assesses the cultural and historical context of the album with insider knowledge and a sharp modern lens ultimately making a case for it as one of the most important albums of the 1990s.

The Secret Painter Joe Tucker, 2025-01-30 THE SUNDAY TIMES BESTSELLER One of the crowd and yet one of a kind The astonishing story of The Secret Lowry Joe Tucker's Uncle Eric was a beloved yet unconventional figure throughout his life. A shambolically dressed man who lived with his mother for almost eighty years he appeared to exist only for daily trips to the bookie and yet had also quietly amassed over five hundred of his own remarkable paintings without anyone ever realising his achievements. In this touching funny and thoughtful investigation into the nature of expression the ownership of art and the secret life of those nearest to us Joe Tucker brings us into his uncle's world and brings Eric Tucker's life's work into ours.

The Incomplete Framley Examiner The Editors, 2021-10-14 In 2001 fans of the internet were introduced to scanned pages from spoof local newspaper The Framley Examiner. Packed with humdrum and preposterous news stories classified ads local business features and headlines that seemed to have been typed while asleep it skewered the banal madness of small town existence perfectly encapsulating the British national character. Framley's strange yet familiar community stuffed with its own cast insane geography and rich local history struck a chord with those who recognised their own home towns in its reflection. The website was loved and shared by an eager public as well as famous fans from Little Britain The Simpsons and the Cambridge Centre for Theoretical Cosmology. Professor Stephen Hawking was a Framley enthusiast. Marking the twentieth anniversary of the website's first appearance The Incomplete Framley Examiner combines the pages of the original book published in 2002 with all the pages published online in the years since and brand new material for a bigger more luxurious toilet proof compendium for the annals of history.

Nursing Mirror ,1984 Eternal Youths James Harkin, Julia Huber, 2004 The baby boomers have always been

seen as a deeply symbolic generation born amid a surge of post war optimism and reaching adulthood in the 1960s For many of them challenging received wisdom is deeply embedded in their own self image But one problem in thinking about British baby boomers is that very little original research has addressed them directly This report takes on the challenge of exploring the hopes and fears of a group of people who may help to reshape the meaning of old age By talking directly to them in depth we have tested assumptions about how age sex marital status and ethnicity impact on the values of British baby boomers We have also investigated their attitudes to dying which if they have their way is likely to become the ultimate consumer service Some firms are already waking up to the fact that while youth culture might be cool it is far cooler to profit from the well heeled baby boomers But as the baby boomers continue to march towards old age the financial clout they wield will be less important than the new ways in which they will want to spend their money The combination of wealth health and longer life gives them a new phase of life Baby boomers want to have their time again by chasing personal fulfilment free from the pressures of overwork and childrearing From middle aged men and women on motorbikes to new beauty products and treatments and music retailing the dominance of baby boomers can only grow This project was produced in partnership with Centrica the principal funder and the Saga group
