with expalnation      **Oswaal CBSE Class 10th 20 Combined Sample Question Papers ( Science, Mathematics Standard, Social Science, English Language And Literature) & 10 Previous Years' Solved Papers (Set of 2 Books) For 2024 Board Exams** Oswaal Editorial Board,2023-10-28 Description of the Product Comprehensive Coverage Covers all Major subjects Concise Crisp with Mind Maps Revision Notes Curriculum Alignment 4 5 sets of Sample Papers to stimulate exam pattern format 100% Updated with the Latest CBSE Board Paper 2023 Valuable Exam Insights with Out of Syllabus Questions highlighted 100% Exam readiness with Commonly Made Errors and Answering Tips Concept Clarity with Topper s and Board Marking Scheme Answers      **The Patient Will See You Now** Eric Topol,2016-10-25 The essential guide by one of America s leading doctors to how digital technology enables all of us to take charge of our health A trip to the doctor is almost a guarantee of misery You ll make an appointment months in advance You ll probably wait for several hours until you hear the doctor will see you now but only for fifteen minutes Then you ll wait even longer for lab tests the results of which you ll likely never see unless they indicate further and more invasive tests most of which will probably prove unnecessary much like physicals themselves And your bill will be astronomical In *The Patient Will See You Now* Eric Topol one of the nation s top physicians shows why medicine does not have to be that way Instead you could use your smartphone to get rapid test results from one drop of blood monitor your vital signs both day and night and use an artificially intelligent algorithm to receive a diagnosis without having to see a doctor all at a small fraction of the cost imposed by our modern healthcare system The change is powered by what Topol calls medicine s Gutenberg moment Much as the printing press took learning out of the hands of a priestly class the mobile internet is doing the same for medicine giving us unprecedented control over our healthcare With smartphones in hand we are no longer beholden to an impersonal and paternalistic system in which doctor knows best Medicine has been digitized Topol argues now it will be democratized Computers will replace physicians for many diagnostic tasks citizen science will give rise to citizen medicine and enormous data sets will give us new means to attack conditions that have long been incurable Massive open online medicine where diagnostics are done by Facebook like comparisons of medical profiles will enable real time real world research on massive populations There s no doubt the path forward will be complicated the medical establishment will resist these changes and digitized medicine inevitably raises serious issues surrounding privacy Nevertheless the result better cheaper and more human health care will be worth it Provocative and engrossing *The Patient Will See You Now* is essential reading for anyone who thinks they deserve better health care That is for all of us      **Fueling Resistance** Kate J. Neville,2021-01-18 *Fueling Resistance* examines conflicts over development projects in energy frontiers places in the world far from sites of economic and political power that are seen as potential suppliers of new energy commodities Neville looks at biofuels in Kenya and fracking in the Canadian Yukon and shows how organizers connect specific energy projects to broader issues of globalization climate food water and justice Taken together the intersecting elements of the political economy of energy finance ownership and trade relations shape the

contentious politics of biofuels and fracking at both local and global scales and help explain how and why particular mechanisms of contention emerge at different times and places

**In Local Hands** Lisa K. Parshall, 2023-03-01 In *Local Hands* examines the contemporary post 2010 village government dissolution movement and renewed state level effort to encourage local government restructuring against the backdrop of evolving statutory authority growing fiscal pressures and state incentives Drawing on multiple disciplines Lisa K Parshall explores the contemporary village dissolution movement in New York State the impetus behind these reforms and the impact of the state level policies and incentives that are driving a growing number of local communities to consider local government reorganization through the elimination of villages as governing entities Parshall explores the social political and narrative contexts in which these community level debates occur providing us with a study of local democracy in action and of the power of local control over the creation and dissolution of local governing entities With its dual within and cross case study focus on New York State villages In *Local Hands* is both timeless and timely providing valuable contributions to the study of municipal development and reorganization
