The Fangirl Life Kathleen Smith, 2016-07-05 Are You a Fangirl Do you survive boring classes or meetings by imagining your favorite TV couple making out Have you posted a lengthy diatribe on the Internet defending a fictional character Have you gotten carsick from reading fan fiction on your smartphone Has Netflix presented you with the Are you still watching button at least once If you answered yes you are a fangirl But you already knew that Fangirling is more than a hobby it s a way of life for an enormous community As a fangirl you are a passionate intelligent and creative creature But sometimes focusing on the fictional can keep you from putting those qualities to use in your everyday life Rather than using your pop culture obsessions to avoid your real life problems you can tackle issues like stress anxiety and low self esteem by turning obsession into inspiration If you enjoy flailing over badass fictional ladies or speculating endlessly over plot points but would like to carve more space for the narrative of your own life this is the book for you Written by a proud fangirl who is also a licensed therapist The Fangirl Life is a witty guide to putting your passions to use in your offline life

whether it's learning how writing fan fiction can be a launching point for greater career endeavors or how to avoid the myths that fictional romance perpetuates. If you're ready to start translating those fictional obsessions into some bold personal moves, let *The Fangirl Life* help you become your own ultimate fangirl. Star Trek 101: A Practical Guide to Who, What, Where, and Why Terry J. Erdmann, 2008-09-23 In the future, a heroic captain and his crew explore the Galaxy in a really fast spacecraft. The crew's standing orders are to explore strange new worlds, to seek out new life and new civilizations, to boldly go where no man has gone before. Simple, straightforward, that's Star Trek. So what's all the fuss? Why do news crews always seem to find someone somewhere dressed up in a Star Trek costume? What could be so interesting to so many people? Star Trek 101 is the answer. You'll learn just a little about the heroes, Captain Kirk believes that man wasn't meant to live in paradise, the villains, Klingons have a thirst for conquest, and the important aliens, Vulcans live their lives by logic. In the handy recaps for all things Star Trek, you'll discover that the television shows and movies run the gamut from action adventure to comedy. Just want to sample? The ten essential episodes are offered for your consideration. Star Trek 101 is a quick primer of the television shows and movies that carry the Star Trek name. Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade, but there is little available to young adults. For them, libraries become a place for work, the place to research an assignment or find a book for a report, but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units such as *Cartoon Cavalcade*, *Log On at the Library*, *Go in Style*, *Cruising the Mall*, *Space Shots*, *Teens on TV*, and 44 others that are designed for young adults. Each includes a display idea, suggestions for local sponsorship, prizes, a program game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games or scavenger hunts, ideas for activity sheets, a bibliography of related works, and a list of theme-related films. The units are highly flexible, allowing any public or school library to adapt them to their particular needs. [Young Adult Literature in Action](#) Rose Brock, 2019-06-14 Taking a genre approach, this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books, including recommended titles. This third edition of *Young Adult Literature in Action* draws on the success of the previous two editions, authored by Rosemary Chance, updating and expanding on them to meet the needs of today's librarians and library science students. It includes a new focus on diverse books, LGBTQ selections, the role of book formats, and the relevance of librarians serving teen populations, and is an ideal resource for teaching young adult literature courses. Organized by major genre divisions, this easy-to-use book includes new information on timely topics such as audio and e-books, accessible books, and graphic novels. Each chapter includes revised and updated information on collaborative activities, featured books, special topics, and programs, selected awards and celebrations, historical connections, recommended

resources issues for discussion author comments and assignment suggestions Further updates include citations of exemplary young adult books and award winners references websites and a bibliography
