Myth, Media, and Culture in Star Wars Douglas Brode,Leah Deyneka,2012-06-14 In 1977 Star Wars blazed across the screen to become one of the highest grossing and most beloved movies of all time It was followed by two sequels and three prequels all of which became blockbusters Comic books novels graphic novels and magazines devoted to the films have added to the mythology of George Lucas s creation Despite the impact of the franchise on popular culture however discussion of the films from a scholarly perspective has not kept pace with the films In Myth Media and Culture in Star Wars An Anthology Douglas Brode and Leah Deyneka have assembled an intriguing collection of essays addressing the influences that shaped the films as well as the impact the franchise has had on popular culture Contributors to this volume discuss the Star Wars universe and what its connection to various cultural touchstones from fairy tales and Joseph Campbell to Disneyland and Marvel comics mean to viewers Essays examine the films in the franchise as well as incarnations of the Star Wars universe in video games comic books and television programs including the films influence on new generations of filmmakers A companion volume to Sex Politics and Culture in Star Wars Myth Media and Culture in Star Wars is a diverse collection of criticism that investigates the dynamic force that Star Wars has become in popular culture from every imaginable angle

The History and Politics of Star Wars Chris Kempshall,2022-08-11 This book provides the first detailed and comprehensive examination of all the materials making up the Star Wars franchise relating to the portrayal and representation of real world history and politics Drawing on a variety of sources including films published interviews with directors and actors novels comics and computer games this volume explores the ways in which historical and contemporary events have been repurposed within Star Wars It focuses on key themes such as fascism and the Galactic Empire the failures of democracy the portrayal of warfare the morality of the Jedi and the representations of sex gender and race Through these themes this study highlights the impacts of the fall of the Soviet Union the War on Terror and the failures of the United Nations upon the galaxy far far away By analysing and understanding these events and their portrayal within Star Wars it shows how the most popular media franchise in existence aims to speak about wider contemporary events and issues The History and Politics of Star Wars is useful for upper level undergraduates postgraduates and scholars of a variety of disciplines such as transmedia studies science fiction cultural studies and world history and politics in the twentieth and

twenty first centuries **The Little Guide to Yoda's Wit and Wisdom** OH,2025-08-07 The Empire Strikes Back the sequel film to 1977's Star Wars is regularly voted the Greatest Film of All Time It was also the first time Yoda a Grand Master of the Jedi Order and the most powerful Jedi in its history made his awesome first appearance Since then the two foot two green alien humanoid of unknown origins has become one of the franchises most enduring and popular characters appearing in six of the nine sequel trilogies as well as the acclaimed Clone Wars animation Famed for his wit wisdom and syntax Yoda's profound and playful words have left a large legacy on popular culture particularly on countless items of merchandise Here inside The Wit and Wisdom of Yoda are more than 175 classic quotes and quips from the character himself as well as tons of other tasty trivia treats guaranteeing this tiny tome is the perfect gift for the Star Wars fan in your family Which last time we checked was everyone Enjoy SAMPLE TEXT Train yourself to let go of everything you fear to lose Yoda Always pass on what you have learned Yoda While every main character in the Star Wars universe has a detailed origin story only Yoda and Grogu's is unknown Creator George Lucas has never revealed the species and home planet of Yoda in an attempt to keep the character a mystery *The Transmedia Franchise of Star Wars TV* Dominic J. Nardi,Derek R. Sweet,2020-11-11 While previous work on the Star Wars universe charts the Campbellian mythic arcs political representations and fan reactions associated with the films this volume takes a transmedial approach to the material recognizing that Star Wars TV projects interact with and relate to other Star Wars texts The chapters in this volume take as a basic premise that the televisual entrants into the Star Wars transmedia storyworld are both important texts in the history of popular culture and also key to understanding how the Star Wars franchise and thus industry wide transmedia storytelling strategies developed The book expands previous work to consider television studies and sharp cultural criticism together in an effort to bring both long running popular series long ignored texts and even toy commercials to bear on the franchise's complex history

Women's Space Melanie A. Marotta, Donald E. Palumbo, C.W. Sullivan III, 2020-01-17 From the Star Wars expanded universe to Westworld the science fiction western has captivated audiences for more than fifty years These twelve new essays concentrate on the female characters in the contemporary science fiction western addressing themes of power agency intersectionality and the body Discussing popular works such as Fringe Guardians of the Galaxy and Mass Effect the essayists shed new light on the gender dynamics of these beloved franchises emphasizing inclusion and diversity with their critical perspectives

Star Wars Meets the Eras of Feminism Valerie Estelle Frankel, 2020-07-07 Star Wars defined popular big screen science fiction Still what many viewers best recall is assertive hilarious Leia the diminutive princess with a giant blaster who had to save them all As the 1977 film arrived women were marching for equality and demanding equal pay with few onscreen role models Leia echoed their struggle and showed them what they could be Two more films joined in though by the early eighties post feminism was pushing back and shoving the tough heroine into her pornographic gold bikini After a sixteen year gap the prequels catered to a far different audience Queen Amidala's decoy power originates in how dominated she is by her massive royal gowns This obsession with fashion but also costuming as a girly superpower fits well with the heroines of the time The third wavers filled the screens with glamorous mighty girls strong but not too strong like the idealistic teen Ahsoka of Clone Wars However space colonialism abusive romance and sacrifice left these characters a work in progress Finally the sequel era has introduced many more women to fill the galaxy Rey Jyn Rose Maz Qi ra Val L3 37 Captain Phasma Admiral Holdo and of course General Leia Making women the central warriors and leaders while keeping them powerful and nonsexualized emphasizes that they can share in the franchise instead of supporting male Jedi There's also more diversity though it's still imperfect Hera and Sabine on the spinoff cartoon Rebels and the many girls in the new franchise Forces of Destiny round out the era along with toys picture books and other hallmarks of a new more feminist fourth wave for the franchise
