Start Something That Matters Blake Mycoskie, 2011-09-06 The incredible story of the man behind TOMS Shoes and One for One the revolutionary business model that marries fun profit and social good A creative and open hearted business model for our times The Wall Street Journal Why this book is for you You re ready to make a difference in the world through your own start up business a nonprofit organization or a new project that you create within your current job You want to love your work work for what you love and have a positive impact on the world all at the same time You re inspired by charity water method and FEED Projects and want to learn how these organizations got their start You re curious about how someone who never made a pair of shoes attended fashion school or worked in retail created one of the fastest growing footwear companies in the world by giving shoes away You re looking for a new model of success to share with your children students co workers and members of your community You re ready to start something that matters

The TOMS Effect Elizabeth Ferszt, 2019-10-15 In 2006 the TOMS shoe company radically disrupted the for profit business model literally for good In challenging what a money making company could do with its earnings TOMS incorporated a giving component within its business model making giving intrinsic to each sale For every pair of shoes sold another pair would be given away to a child in need Giving thus became good business at both levels in making money and in helping kids The TOMS Effect is a book that explains and explores this phenomenon through TOMS company history as well as through major corporations like Walgreens Walmart Nestle Stella Artois and Michael Kors as in addition to younger smaller companies and start ups like Warby Parker Brandless and Not Impossible Labs TOMS founder Blake Mycoskie was the epitome of counter culture CEO his goal to start something that matters has been proven in terms of business sense he is worth 300 million and has been sustained through product line evolution and creative marketing where the shoes become a movement and the customer becomes a partner The TOMS Effect has influenced the behavior of consumers as well as young entrepreneurs and established corporations In November 2018 Blake took to late night shows to publicize TOMS newest giving ventures End Gun Violence Together EGVT and Pick your Style Pick your Stand These campaigns have been riskier than TOMS previous social justice health and community efforts Will this latest iteration of the TOMS model be sustainable both in terms of monetization of EGVT products and in effectively causing change

Practical Wisdom in Management Theodore Roosevelt Malloch, 2017-09-08 Practical Wisdom in Management is the first in depth case study book to explore how practical wisdom from spiritual and philosophical traditions inspires corporate culture and leadership The outcome of the Practical Wisdom Initiative between The Academy of Business in Society ABIS and Yale University Center for Faith and Culture it seeks to construct a bridge between the worlds of management and the spiritual and philosophical traditions Covering ten major worldwide religions Theodore Malloch provides an overview of the practical wisdom of the major faith traditions for management It includes case studies of over twenty multinational corporations focusing on their values spiritual inspiration and business strategy It features case studies

on corporations including Ascension Health Michelin DANONE Group Walmart TOMS Marriott HSBC Four Seasons Guangzhou Eversunny Trading and Toyota It is essential reading for business leaders researchers and students of business ethics and spirituality courses and includes full teaching guidance **The Escape Manifesto** Escape The City,2013-04-30

Rob Dom and Mikey were fed up with the corporate treadmill When they decided to change careers they looked for a website to help them escape except there wasn't one So they started their own Three years later and they have started a movement called Escape the City Over 100 000 people have joined www.escapethecity.org in pursuit of exciting and unconventional careers They are the first online start up in the world to raise more than 500 000 in investment equity crowdfunding and they did this entirely from their own membership The Escape Manifesto is the book that the guys wish they had read three years ago on the London Underground when they were commuting back and forth from their corporate cubicles It is an inspirational call to action packed with practical advice and encouragement If you work in a corporate job that doesn't make you tick and you have ever wondered whether there is more to life this book is for you Step off the corporate treadmill find an exciting job start your own business or go on a big adventure Stop dreaming start planning and do something different

Reader Feedback Fab book inspired me to plan my escape in Jan 2014 to India to clear my head after 29 years in social work then starting my own business If not now when Fionna My inspiration to take the step out of banking was driven by your book I had been thinking about it for about a year but I kept putting off leaving the salaried job that is until a friend left work and handed me a copy Selina The Escape Manifesto is a fantastic book Page after page really hit the note with me I'm leaving my city job to take some time out travelling South America and see what happens Scott The Manifesto has really helped me in my decision and continuing motivation to leave consulting So I'd like to say a massive thank you Victoria I'm so excited to have escaped Thanks to the Escape Manifesto for giving me the motivation and push I needed to seek out opportunities I can be passionate about Australian Lawyer in London I'd like to let you know that your website and book helped me escape my job as management consultant in the Netherlands I will be moving to Sri Lanka this November to work as general manager of a turtle conservation project with my girlfriend I found the job on your site I'm so excited Andre I lost track of the number of times I stopped to read out passages to my wife which expressed the exact same thoughts and emotions as I'd been feeling myself it's always good to know you're not the first to have felt this way I got a bit carried away with the highlighter and have built a to do list off the back of it Graham Loving the Escape manifesto I'm planning my escape from finance to conservation for August 2014 Scott Your book is by my bed making notes from the money chapter hopefully I'll have news soon Victoria I'm reading your book right now I'm halfway through but I couldn't resist contacting you before I finish it It is the perfect reference for finding a new career path and escaping the status quo and pressure from society very good book Daniel Your book has made me feel so good about my situation and I now believe I'm doing all the right things to give my plans a good old go Life is so short and you have nothing to lose Nothing Ed Even the shittiest day brightens up when I read your blog your

book or just the pics you post on Facebook Dagmar Well chaps I did it Quit my job in senior leadership in a blue chip corporate Now what Halfway thru your book and I had the eureka moment I ll write a book too so after blasting out a proposal I now have a contract with a publishing house My new life as a writer started 3 months ago you guys gave me the nudge I needed Thanks Andrew I just wanted to say briefly THANK YOU You wrote a great book I found myself on many pages THANKS for writing down your ideas and thoughts and for founding ESC Just registered All the best and good luck to you Franziska

Randomistas Andrew Leigh,2018-07-24 A fascinating account of how radical researchers have used experiments to overturn conventional wisdom and shaped life as we know it Experiments have consistently been used in the hard sciences but in recent decades social scientists have adopted the practice Randomized trials have been used to design policies to increase educational attainment lower crime rates elevate employment rates and improve living standards among the poor This book tells the stories of radical researchers who have used experiments to overturn conventional wisdom From finding the cure for scurvy to discovering what policies really improve literacy rates Leigh shows how randomistas have shaped life as we know it Written in a Gladwell esque style this book provides a fascinating account of key randomized control trial studies from across the globe and the challenges that randomistas have faced in getting their studies accepted and their findings implemented In telling these stories Leigh draws out key lessons learned and shows the most effective way to conduct these trials

Good Works! Philip Kotler,David Hessekiel,Nancy R. Lee,2012-05-22 Businesses can do well by doing good Kotler Hessekiel and Lee show you how Marketing guru Philip Kotler cause marketing authority David Hessekiel and social marketing expert Nancy Lee have teamed up to create a guide rich with actionable advice on integrating marketing and corporate social initiatives into your broader business goals Businesspeople who mix cause and commerce are often portrayed as either opportunistic corporate causewashers cynically exploiting nonprofits or visionary social entrepreneurs for whom conducting trade is just a necessary evil in their quest to create a better world Marketing and corporate social initiatives requires a delicate balancing act between generating financial and social dividends Good Works is

a book for business builders not a Corporate Social Responsibility treatise It is for capitalists with the hearts and smarts to generate positive social impacts and bottom line business results Good Works is rich with actionable advice on integrating marketing and corporate social initiatives into your broader business goals Makes the case that purpose driven marketing has moved from a nice to do to a must do for businesses Explains how to balance social and business goals Author Philip Kotler is one of the world s leading authorities on marketing David Hessekiel is founder and President of Cause Marketing Forum the world s leading information source on how to do well by doing good Nancy Lee is a corporate social marketing expert and has coauthored books on social marketing with Philip Kotler With Good Works you ll find that you can generate significant resources for your cause while achieving financial success **Makers with a Cause** Gina Seymour,2018-06-06

This quick start guide explains how to use inquiry to promote civic engagement in the school library makerspace and provides ready to use ideas for hands on service projects By creating for their community in the school library makerspace young people not only develop academic and cognitive skills but also learn to value building a culture of caring Award winning author Gina Seymour discusses her initiative to empower students to take an active role in making a difference and outlines how to implement similar programs in any school library setting The book may be used in school libraries in conjunction with a service learning model to extend the learning that takes place in classrooms and to make youth feel a valuable part of their community Numerous service project ideas are presented from simple low cost no tech craft based ideas to high tech projects including 3 D models and while the book focuses on youth in middle school and high school many projects may also be used in elementary school Detailed project instructions include tips for making programs inclusive for all youth and money saving tips to promote sustainability *Bring Your Whole Self to Work* Mike Robbins,2021-09-14 In today s work environment the lines between our professional and personal lives are blurred more than ever before Whatever is happening to us outside of our workplace whether stressful painful or joyful follows us into work as well We may think we have to keep these realities under wraps and act as if we have it all together But as Mike Robbins explains we can work better lead better and be more engaged and fulfilled if instead of trying to hide who we are we show up fully and authentically Mike a sought after motivational speaker and business consultant has spent more than 15 years researching writing and speaking about essential human experiences and high performance in the workplace His clients have ranged from Google to Citibank from the U S Department of Labor to the San Francisco Giants From small start ups in Silicon Valley to family owned businesses in the Midwest From what he s seen and studied over the years Mike believes that for us to thrive professionally we must be willing to bring our whole selves to the work that we do Bringing our whole selves to work means acknowledging that we re all vulnerable imperfect human beings doing the best we can It means having the courage to take risks speak up have compassion ask for help connect with others in a genuine way and allow ourselves to be truly seen In this book Mike outlines five principles we can use to approach our own work in this spirit of openness and humanity and to help

the people we work with feel safe enough to do the same so that the teams and organizations we're a part of can truly succeed. This book will offer you insights, ideas, and tools to inspire you to bring all of who you are to the work that you do, regardless of where you work, what kind of work you do, and with whom you do it. And if you're an owner, leader, or just someone who wants to have influence on those around you, this book will also give you specific techniques for how to build or enhance your team's culture in such a way that encourages others to bring all of who they are to work.

We're All in This Together Mike Robbins, 2022-03-22 Build trust and achieve high performance in your business by redefining team culture. Have you ever been on a team where the talent was strong but the team wasn't very good? On the flip side, have you ever been on a team where not every single member was a rock star but something about the team just worked? In this book, corporate consultant Mike Robbins dives deep into the ways great businesses build trust, collaborate, and operate at their peak level. As an expert in teamwork, leadership, and emotional intelligence, Mike draws on more than 20 years of experience working with top companies like Google and Microsoft, as well as his baseball career with the Kansas City Royals. And while each team and organization have their own unique challenges, goals, and dynamics, there are some universal qualities that allow teams to truly come together and thrive. The book's core principles include facilitating an environment of psychological safety, fostering inclusion and belonging, addressing and navigating conflict, and maintaining a healthy balance of high expectations and empathy. Throughout, Mike shares powerful exercises and tools he's successfully utilized in the keynote speeches, group sessions, and corporate retreats that he delivers so that you and your team can communicate more authentically, give and receive feedback with skill, and create deeper connections. Mike Robbins shares tangible techniques that leaders and teams can use to excel, backs up his ideas with important research, and provides a road map for creating a team environment of personal connection and optimal performance. Tom Rath, New York Times best-selling co-author of *How Full is Your Bucket?*

Natural Prophets Joe Dobrow, 2014-02-18 From a handful of idealistic farmers and local co-ops in the 1960s to the domination of juggernauts like Whole Foods, the wild success of the natural and organic foods industry proves that principled business is not just possible but profitable. With nearly unfettered double-digit annual growth, the development of this now \$88 billion industry is one of the most remarkable untold stories in American business history. Trailblazers like Mo Siegel of Celestial Seasonings, Gary Hirshberg of Stonyfield Farms, and John Mackey of Whole Foods openly challenged the interests of Big American Agribusiness, transformed food manufacturing and retailing, and re-wrote the playbook for small entrepreneurs. Dobrow, a 20-year veteran of the natural foods industry who had a front-row seat and backstage pass to much of the upheaval and expansion, he describes, characterizes the radical vision of these natural prophets as one part anti-industrial activism, one part bold opportunism, and one part new-era marketing genius. The triple bottom line—people, planet, profit—emerged as a major new lodestone for successful values-based business practices. *Natural Prophets* is a fascinating narrative account of these upstart Davids, their failures, and their unprecedented successes that distills lessons about management, marketing, and

entrepreneurial growth and offers a lively urgent profile of an industry that continues to change the way we eat the way we live and the way we think about ourselves *DIY Utopia* Amber Day,2016-12-22 At first glance contemporary popular culture filled with bleak images of the future seems to have given up on the possibility of positive collective change Below the surface however alternative culture is rife with artist led projects activist movements and subcultural communities of interest that seek to spark the collective imagination and to encourage hunger for alternatives More playfully self conscious than past utopian movements today s are often whimsical or ironic but are still entirely earnest Artists invite us to re author city maps or archive individual ideas for the future while maker collectives urge us to rethink our relationship to consumer goods All seem to have grown out of a similar do it yourself ethos and alternative culture One of the central conflicts informing these case studies is that while it remains immensely difficult to envision anything outside of the current system of consumer capitalism there is nevertheless a powerful desire to take it apart in piecemeal ways We see the longing for new social and political narratives new forms of communion and sociability and new imaginings of the possible longings that are currently unmet by mainstream culture but that are taking expression in myriad ways at the local level Taken as a whole this collection examines what our grand ideals and playful daydreams tell us about ourselves The Manchester Method Tudor Rickards,2016-06-29 Leaders We Deserve monographs are based on over a thousand posts originally published on the Leaders We Deserve blog over the period 2006 2015 The monographs explore a space between the scholarly style of the traditional textbook and the dynamism of the e format They offer the possibility of a learning community in which readers and authors are able to interact and influence the contents of the monographs Each post is linked to theoretical ideas such as charismatic leadership critical theory discursive leadership and corporate social responsibility Many posts have been taught as mini business cases within the Manchester Business School executive MBA programmes around the world The topic of the first monograph which was published in 2015 is The Manchester Method an approach to experiential learning which has been associated with Manchester Business School for several decades as a means of supporting business education The monograph updates twelve posts from the perspectives of Business School tutors leadership researchers and MBA executives It provides a historical record of the roles played by educational pioneers Grigor McClelland and Reg Revans Other topics covered include The Manchester Method as Social Networking The Importance of Communities of Practice and Creative Leadership and Team Effectiveness Imagine More Stephanie Nelson,2023-10-10 Discouraged that you will never fulfill your dreams Stephanie Nelson creator of the wildly successful Coupon Mom movement shares an inspiring motivating roadmap for achieving dreams saving money and giving generously with big faith If you feel stuck in life and unable to make progress toward your deepest hopes and dreams let Stephanie Nelson share a practical path to reaching your full potential The creator of the Coupon Mom and jump starter of the coupon craze that started in 2008 with the recession Stephanie can relate to holding on to dreams that seem bigger than abilities She started the Coupon Mom website with a thirty five dollar

investment and never borrowed or spent more than the project earned With no extra money or experience in technology Stephanie grew a tiny website into a multimillion dollar business that has helped millions of people save money and donate groceries to charities all while using the free Coupon Mom program Sharing her story to unpack life lessons Stephanie shares a path to banish fear and embrace opportunity develop a vision and pursue dreams identify God's plan to use your abilities to help others and build community by including others in your success It's never too late to imagine more chase your dreams and impact the world through your unique gifts and talents Stephanie shows readers how to exchange their ordinary for God's extraordinary Imagine More will encourage anyone who wants to use their passions and skills to benefit others and fulfill their most cherished dreams Bonus content The 35 page bonus ebook Imagine More Savings Digital Hacks is included via QR code in the book and ebook

The Soul of a Team Tony Dungy, Nathan Whitaker, 2019-01-22 Includes a group discussion guide and a list of Vipers personnel character list

The Story of Purpose Joey Reiman, 2012-12-17 A proven methodology for building a purpose powered organization Some ideas are bigger than others and the Master Idea your company's purpose is the biggest Whether addressing communication between leadership and associates suppliers to manufacturers sales force to customers or brand to consumers The Story of Purpose details a proven methodology for businesses small to large how to build a purpose inspired organization to positively impact employees customers and the bottom line It reveals the process for uncovering what makes a company distinctive and guides you to discover the fundamental force behind the organization that no competitor can replicate or replace The Story of Purpose incorporates stories of purpose from Procter Gamble McDonald's Newell Rubbermaid and many more purpose driven companies These stories come to life in a comprehensive book that promises to guide inspire and transform your organization Offers a blueprint for creating powerful internal and external messages for current and future customers employees and shareholders The Story of Purpose will leave you asking yourself what gets me up in the morning instead of what keeps me up at night
