

Sample Thank You Letter

Dear (Name):

Thank you so much for supporting me as I participated in the We Run the City 5K/10K to raise awareness and money for the athletes of Special Olympics Southern California.

With your support, we will enrich the lives of athletes with intellectual disabilities and their communities through sports, education, and athlete health.

Every dollar raised through this fundraiser not only provides equipment, uniforms, and training for our athletes, but also gives them empowerment, courage, and joy.

Special Olympics is more than a sports program. Special Olympics Southern California athletes are five times more likely to hold a job than the general population of individuals with intellectual disabilities. They are also more physically fit and live happier, healthier, and longer lives.

Thank you again for your donation and support. For more information about Special Olympics, please visit www.sosc.org.

Sincerely,

(Your Name)

Lunsford,2007-11-20 The tragedy of war is measured by destruction death and heartache In the end politicians negotiate and soldiers come home But the seldom discussed tragedy of captivity leaves deep and lasting scars in those who return as well as in their families Prisoners of war suffer immeasurable humiliation and pain at their captors hands Historically the mortality rate for American POWs averages 12 percent The one exception was the POWs held in North Korea from 1950 to 1953 they died at a rate of 42 percent nearly four times more than any other war Letters from a Captive Heart is not a war story as little of the tale takes places on the battlefield It s a story of honor strength and heartbreak in the POW camps of North Korea and back home in America s heartland This historical novel starkly portrays the contrast between the innocence of the early 1950s in rural Kentucky and the horrific reality of the POW camps In this moving and poignant saga about the effects of war we find there is nothing more fragile than a captive s heart and nothing more powerful than its story of survival
