Weyman,2015-06-25 Excerpt from The Abbess of Vlaye Monsieur des Ageaux was a man of whom his best friends could not say that he shone or tried to shine in the pursuit of the fair sex He was of an age something over thirty when experience renders more formidable the remaining charms of youth and former conquests whet the sword for new emprises And the time in which he lived and governed the province of P rigord for the King was a time in which the favour of ladies and the good things to be gained thereby stood for much and morality for little So that for the ambitious the path of dalliance presented almost as many chances of advancement as the more strenuous road of war Yet des Ageaux though he was an ambitious man and one whose appetite success and in his degree he had been very successful had but sharpened showed no inclination to take that path or to rise by trifling Nay he turned from it he shunned if he did not dislike the other sex Whether he doubted his powers he was a taciturn grave man or he had energy only for the one pursuit he loved the government of men the thing was certain Yet he was not unpopular even at Court the lax Court of Henry the Fourth But he was known for a thoughtful dry man older than his years and no favourite with great ladies of whom some dubbed him shy and sonic a clown and all a piece of furniture About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Abbess of Vlaye (Classic Reprint)* Stanley J. Weyman,2017-09-13 Excerpt from The Abbess of Vlaye Yet was it a wonderful post for such a man and many a personage many 3 Lord well seen at Court coveted it All the same the burden was heavy a thing not to be dismissed in a moment The King found him no money or little no men or few Where greater governors used their own resources he had to use economy And to make matters worse the man was just it was part of his nature it was part of his passion to be just So where they taxed not legally only but illegally he scrupled he held his hand And therefore though his dignity was almost as high as office could make it and his power in his own country not small no man who ever came to Court went with less splendour in the streets of Paris or with a smaller following Doubt less as a result of this a few despised him a few even making common cause with the Court ladies and being themselves semi royal and above retort fiouted him as a thing negligible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book
