Making inferences about characters based on the text

Father's approach to English was a scientific one. Since Chinese verbs have no tense, he was fascinated by the way English verbs changed form according to whether they were in the present, past imperfect, perfect, pluperfect, future, or future perfect tense. He was always making diagrams of verbs and their inflections, and he looked for opportunities to show off his mastery of the pluperfect and future perfect tenses, his two favorites. "I shall have finished my project by Monday," he would say smugly.

Based on the excerpt above, what can the reader infer about Father's character?

Mother picked up one of the green stalks, and Father followed suit. Then I picked up a stalk, and my brother did too. So there we sat, each with a stalk of celery in our right hand.

Based on the excerpt above, what can we infer about the Lin family?

So we helpfully carried over some dining chairs and sat down. All the other guests just stood there. Mrs. Gleason bent down and whispered to us, "This is a buffet dinner. You help yourselves to some food and eat it in the living room."

What does this excerpt reveal about Mrs. Gleason's character?
